Chancellor Christian Presents:

Vision 2030—A Roadmap for California Community Colleges

Wednesday, August 2, 2023 | 9 a.m.—10 a.m.

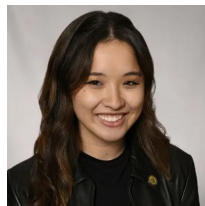

On Monday, July 24, 2023, during the Board of Governors meeting, we unveiled the preliminary framework of the **Vision 2030 – A Roadmap for California Community Colleges**, a bold plan we are developing to further advance our goals of equitable success, access, and support for our communities both local and global. [Vision 2030](#) is grounded in the work and progress of the [Vision for Success](#) as well as the policy imperatives of the Governor’s new multi-year framework for higher education which includes the [Roadmap for California Community Colleges](#).

In this system webinar you will hear about the details regarding the development, progress, and intentions of Vision 2030. There will also be opportunities during this webinar for you to ask questions and provide your thoughts and feedback. Our presenters include:

Andra Hoffman
