

Fall 2017

## Final Examination Schedule

- Failure to report for scheduled final examinations may result in a failing grade for the course. In case of illness or other emergency, the student must report to the instructor's office or department prior to the beginning of the examination.
- Final examinations for evening (4:30PM and later) and Saturday and Sunday classes will be held at the time and place of the regular class meeting on the following dates:

Thursday, December 7†                      Friday, December 8                      Saturday, December 9  
 Monday, December 11                      Tuesday, December 12                      Wednesday, December 13                      Thursday, December 14

**Classes meeting two nights per week will not meet the first meeting and shall use the second meeting for the final exam.**

**EXCEPTION: any class meeting Tues & Thursday evening will hold final exams on the evening of Tues, December 12th.**

- Final Examination Schedules are specific to each college, and are to be used to determine the final examination dates for classes that are held only at that college.
- Final examination for classes shorter than a full semester will be held on the last class meeting date.
- The chart below details the final examination schedule for full-semester weekday classes. Choose the block that most closely matches the time and day the class meets, and that does not result in a conflict with other classes that are also scheduled within that same block. The date of the final examination will occasionally be scheduled on a day that the class does not normally meet. Note the start time and arrive promptly.

**For classes not on the grid or conflicts that cannot be resolved, instructors will consult the department chair and the Riverside City College Dean of Instruction for resolutions.**
