14th Annual Recognition Awards

CALL FOR NOMINATIONS

Honoring alumni and friends
for extraordinary contributions.

Call for Nominations

Riverside Community College District invites you to nominate outstanding individuals for recognition by the College. The Annual Recognition Awards reflect notable contributions made by alumni and friends to the College and to the community.

In Spring 2015, the District family and community will gather in celebration to recognize the award recipients. Specific criteria for each award are presented in this brochure.

Riverside City College (est. 1916)

The Process

Nominations for the awards are solicited from members of the college community and the public. Committees review the materials submitted on each candidate and select those special individuals whose achievements most closely fit the category for which they have been nominated and who are deemed most deserving of recognition.

The names of those selected are then forwarded to the District Chancellor and Presidents for approval. The deliberations of the Award Committees are kept confidential.

How to Make Your Nominations

If you know someone who deserves consideration for a recognition award, please review this information and submit your nomination by **November 10, 2014**. Each committee's decision will be based on the materials submitted in support of each candidate. Your nomination submission should include:

- The completed nomination form listing your name and address and those of your nominee and his/her supporters.
- Your statement of nomination giving a detailed explanation of why your nominee should be considered for a specific award.
- Letters of support you have gathered from others who know your nominee and his/her accomplishments.
- The candidate's curriculum vitae or resume (if available and appropriate), plus factual statements from as many sources as possible and any other information you feel will be relevant to the committee's decision.

Moreno Valley College (est. 1991)

STATEMENT OF NOMINATION

Be sure to review the award criteria so you can explain how your candidate fulfills those criteria.

NOMINATIONS MUST REMAIN CONFIDENTIAL

Please do not inform candidates that they are under consideration since only a limited number of awardees will be chosen each year from among many worthy individuals.

Excellence

Be an Advocate for Your Candidate

Because letters of nomination and support are an integral part of a successful candidate dossier, please make sure that you review the criteria for a specific award before writing your letter or soliciting other letters of support for your candidate. You can either provide supporting letters with your nomination or make certain that the supporters send their letters directly to the Annual Recognition Awards Committee by the deadline date of **November 10, 2014**.

The quality of information contained in nomination and support letters is given particular attention by the committee. Letters that comment on the individual's specific achievements are the most important and helpful. Nominators and supporters should answer the following general questions in addition to the ones specified for each award category:

Norco College (est. 1991)

-
- What is your relationship to the candidate and how have you gained knowledge of his/her accomplishments?
 - How has the individual maintained a connection with the College, its faculty and students?
 - Why is this an appropriate time to recognize this individual's achievements?

Remember to describe and interpret your candidate's accomplishments in terms that a lay reader can understand.
