ACADEMIC AND CLASSIFIED ADMINISTRATORS
All management employees are hired into supervisory, classified management, or academic (educational) administrative positions following the steps established below:

1. Identify a Position and Develop Hiring Plan
   
a. After the position is approved, placement is established and funding is secured, the Hiring Manager will create a Management on-line posting request at [http://jobs.rccd.edu/hr](http://jobs.rccd.edu/hr). The on-line request will include the recommended search committee members, budget code(s), advertising recommendations, job description, supplemental questions for applicants, etc.

   (1) Only the current job description on file in the Diversity and Human Resources Office is the source to create a template for the on-line posting.

   (2) To make any changes to the job description, or restructuring of a position, the changes must be discussed with, and approved by, the Director, Diversity and Human Resources prior to posting.

   (3) Standards and criteria for employment must clearly be stated in the job posting. These shall include that all classified managers hired by the Riverside Community College District must possess, prior to the initial interview, the minimum qualifications pursuant to Education Code.
(4) For new positions, managers will submit a proposed job description, using the DHR job description format, to the District, Diversity and Human Resources. The Director will work with the hiring manager to finalize the job description and submit for grading using the current job evaluation structure.

(5) For classified supervisors and management, the job description will include a requirement to: Demonstrate clear evidence of sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, and ethnic backgrounds of community college students, staff, and the community.

(6) For academic management (educational administrators), the job description will include a requirement: Must have evidence of sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability and ethnic backgrounds of community college students (E.C. 87360a).

b. The Hiring Manager will electronically forward the posting request through the on-line applicant tracking system. A typical approval workflow is Director, Dean, Vice President, Vice President of Business Services, President and/or Vice Chancellor for review and approval. If any one of them feels that changes are needed, the posting request will be sent back to the Hiring Manager with a rationale for the changes.

c. If there are no changes, the Vice Chancellor or President will electronically forward the posting request to the Budget Office to verify budget code(s) and budget capacity. Any concerns relative to budget will be communicated to the Hiring Manager for resolution.

d. The posting request will then be electronically forwarded by the Budget Office to the Office of Diversity, Equity and Compliance for review, who will then forward it to the Office of Diversity and Human Resources for review. Any concerns, including those regarding equity and diversity, will be communicated to the Hiring Manager for resolution.
