2015 - 2016 Luncheon Series
Celebrating Riverside City College's Centennial

Riverside City College classes were held in Riverside Poly High School classrooms in 1916.
Join the RCC Associates Today!
Associates membership includes RCC alumni, faculty, friends and donors who gather in support of RCC students, faculty and programs. The Associates provide special support to re-entry students through endowed scholarships. Over the past 30-plus years, the RCC Associates has provided more than $33,000 in scholarship support, and in 2015 awarded $2,800 to four re-entry students.

Through your membership, you’ll be supporting the RCC Associates Endowed Scholarship Fund. In addition, participation in the luncheon series will provide the latest happenings taking place on campus. Just complete the form in this brochure and mail with your check made payable to the RCCD Foundation.

RCC Associates 2015 - 2016 Programs
Celebrating RCC’s 100th Anniversary

September 21, 2015: Celebrating 100 Years of Music & Theatre—featuring excerpts from Performance Riverside’s production of Mary Poppins, with a guest appearance by the RCC Chamber Singers, while remembering the 1921 Glee Club’s spring musical and Junior College play. Presented by Jodi Julian, associate professor, Theatre; and John Byun, associate professor, Music.

November 9, 2015. Science, Technology, Engineering & Mathematics—100 Years of Success—featuring a tour of Riverside City College’s STEM Lab and an historical perspective on the College’s original 1916-17 STEM offerings of math, physics, and chemistry. Presented by Heather Smith, Ph.D, professor, Life Sciences.

January 25, 2016. From Typewriting to Auto Technology—from 1916 College offerings of typewriting, mechanical drawing and surveying to today’s auto technology—vocational programs have always been an institutional staple. This program will feature a walking tour of the Auto Tech Lab, including student testimonials. Presented by Patricia Avila, Dean of Instruction, Career & Technical Education; and Yuri Ulloa, associate professor, Automotive Technology.

April 4, 2016. 100 Years of Student Life—1916-2016. Student life has always played an important role at the College and in the community. This program will feature a tour of the new Dr. Charles A. Kane Student Services and Administration building, student entertainment, and an historic look at student life from 1916 to 2016. Presented by Cecilia Alvarado, acting vice president of Student Services; and Deborah Hall, Ed.D, coordinator, Student Activities.
