Countdown to Riverside City College's 100th Anniversary

The photograph below is from the May 29th 1989 issue of the Riverside City College "Viewpoints" student newspaper. It shows the building that took place in the 1970s. Completed during this time was the redesign of the west side of the Quadrangle (1971), and construction of the Ceramics (1973), Auto Technology (1976), Early Childhood Studies (1976), and Business Education (1977) buildings. It is 4 years and 33 weeks until RCC’s 100th Anniversary on March 13, 2016.

The Riverside City College Instructional Media Center is bringing you this five year countdown to RCC’s 100th Anniversary. Our intention is to give everyone a weekly glance at the many people and events that have been a part of the college.

Our thanks go to the RCC Digital Library Archives and the District’s Office of Strategic Communications and Relations for allowing us to use their photo and newspaper collections. Thanks as well to all of the RCC students and Faculty Advisors that were a part of the yearbook and newspaper staffs. Thanks also to Tom Johnson and Gilbert Jimenez who wrote “the book” about RCC’s history. “Riverside City College 1916-1981- A 65 Year History” is available in the RCC Digital Library.
