

# MORENO VALLEY COLLEGE

## Fall 2019

### Final Examination Schedule

- Failure to report for scheduled final examinations may result in a failing grade for the course. In case of illness or other emergency, the student must report to the instructor's office or department prior to the beginning of the examination.
- Final examinations for evening (4:30PM and later) and Saturday and Sunday classes will be held at the time and place of the regular class meeting on the following dates:

|                       |                     |                       |                        |
|-----------------------|---------------------|-----------------------|------------------------|
| Sunday, December 8    | Monday, December 9  | Tuesday, December 10  | Wednesday, December 11 |
| Thursday, December 12 | Friday, December 13 | Saturday, December 14 |                        |

**Classes meeting two nights per week will not meet the first meeting and shall use the second meeting for the final exam.**

- Final Examination Schedules are specific to each college, and are to be used to determine the final examination dates for classes that are held only at that college.
- Final examination for classes shorter than a full semester will be held on the last class meeting date.
- The chart below details the final examination schedule for full-semester weekday classes. Choose the block that most closely matches the time and day the class meets, and that does not result in a conflict with other classes that are also scheduled within that same block. The date of the final examination will occasionally be scheduled on a day that the class does not normally meet. *Note the start time and arrive promptly.*

**For classes not on the grid or conflicts that cannot be resolved, instructors will consult the department chair and the Moreno Valley College Dean of Instruction for resolutions.**
