RIVERSIDE COMMUNITY COLLEGE DISTRICT FACULTY LECTURE

ANN PFEIFLE PROFESSOR HISTORY

Moreno Valley College History Professor Ann Pfeifle delivered the 58th Riverside Community College District Faculty Lecture. The Faculty Lecture series began in 1961, and each year Academic Senate members select the Distinguished Faculty Lecturer to present a spring lecture on a subject of their liking. Being selected as a lecturer is the highest honor faculty bestow on a colleague.

Pfeifle's lecture, Exploring Family – Where Does History Take Us, explored family history which has undergone a revolution of sorts over the last decade. Americans spend billions of dollars a year on direct-to-consumer genetic tests and thousands of hours online building internet family trees. Building on this trend, Pfeifle explored the potential benefits and the disputes associated with this renewed interest in genealogy and the production of family history by presenting her own experience with the company 23andMe and the impact of discovering her genes as a child of a closed adoption.

She also answered such questions as how do we define ourselves and present our family history? What makes us who we are – our

culture, our genes, our shared stories? How might our views of our community, nation and world change if we focus on the fact that we are 99.99 percent the same?

Pfeifle, who earned the rank of full professor in April of 2017, holds a master's degree in History from UC Riverside as well as undergraduate degrees from the University of Minnesota and Moorhead State. She joined the Riverside Community College District faculty in 2001 and was assigned classes at Moreno Valley College, Riverside City College and the California Rehabilitation Center in Norco as part of the District's Open Campus program. In addition, she worked with local historical organizations to promote connections between the colleges and the community, specifically the military community.

She is a four-time winner of the Outstanding Club Advisor award, and has advised Pride Alliance, Muslim Student Association, Young Americans for Liberty, and Students for Responsible Citizenry. She has also been honored as the Faculty of the Year (Humanities and Social Sciences) three times and has participated in the Puente Program and the Faculty Internship Program, serving as a mentor for students.

Acknowledging that the quality of an instructional program is dependent largely upon the quality of the faculty, Riverside Community College District endeavors to maintain a teaching staff which is among the finest in California.
