PRESIDENT'S MESSAGE

For decades, Riverside City College has served a student population that is dynamic and the most diverse among the colleges serving the Inland Empire. By your enrollment in RCC, you have selected an excellent institution of higher education.

Yearly, students select the College as their launching point for their post-secondary education. Whether your goal is transferring to a university, developing a specific skill or, obtaining a credential, the faculty, staff and administration want your educational experience to be extraordinary.

Students will have an opportunity to immerse themselves in a variety of programs — from liberal arts, the sciences, early childhood studies, performing arts, nursing, cosmetology, culinary arts, and applied technology programs. I encourage each of you to explore the College's opportunities — both in the classroom and outside. In addition to outstanding educational opportunities, students will find a bevy of student activities, such as clubs, athletics, and student government, to name a few. Explore!

This catalog provides a comprehensive overview of our institution and includes essential information. Along with programs of study and courses, you will find information about graduation, certificate completion and transfer requirements, the range of services available to students, and academic policies. As you work to achieve your goals, remember that while you are the architect of your future, a college education is a product of the effort of many people. Should you need assistance with locating or understanding the contents of the catalog, RCC's staff is ready to assist.

Best wishes for continued success in your educational pursuits.

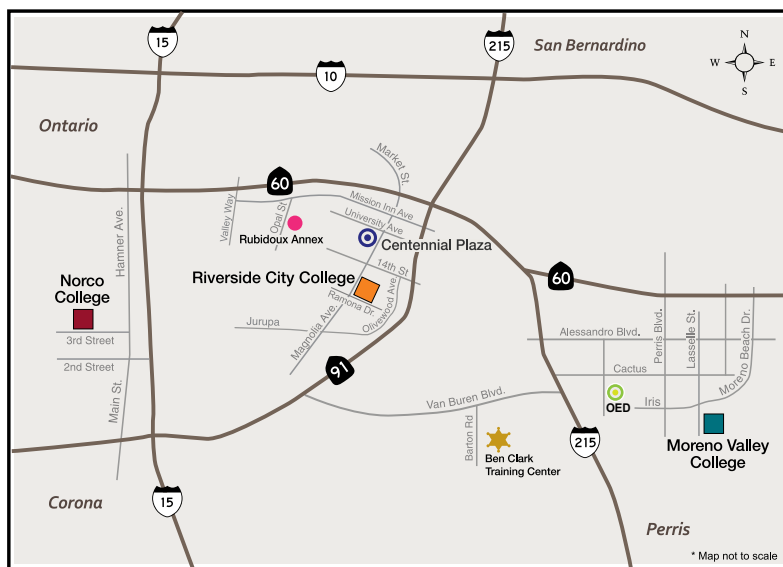

Irving Hendrick, Ed.D.
Interim President
