NOTES

- The District will use this pre-qualification list for future projects by issuing Request for Proposal (RFP) to solicit project's specific services. Firms within the pool must demonstrate their ability as the most qualified and experienced firm/team in response to the project specific scope of services and price negotiation.
- Individual contracts, reflecting project-specific assignments awarded through a successful RFP process, will be presented to the Board for approval before work commences.
- The District may continue to pre-qualify new and interested firms on an as-needed basis and as deemed necessary by the District through a Request for Qualification (RFQ) process.
