Project Title: Solar Planning Initiative (Downtown Riverside Office)

Project Applicant: Riverside Community College District

Project Location - Specific: Riverside Community College District Office (3801 Market Street)

Project Location - City: Riverside Project Location - County: Riverside

Description of Nature, Purpose and Beneficiaries of Project:

The project includes adding solar roof-mounted canopy system on existing parking structure and roof-mounted solar panel at Coil School of the Arts building. A battery energy storage system (BESS) would also be constructed in a disturbed, paved area, with an underground electrical conduit connecting the BESS to the solar panel systems. This underground electrical conduit would be contained within a disturbed, paved area. See figure, Riverside Community College District-Solar Plan, attached.
