

YOUR SAFETY IS OUR PRIORITY!

Do you want to update your contact information in the Rave Mobile Safety portal? **RAVE ALERT** is a simple, yet powerful, campus communication platform that allows RCCD to communicate with you via mobile phone and email during critical situations. To update your information or opt-in to other campuses (besides your home campus) please follow the instructions below. The instructions for opt-in to other campuses is on page 3.

LOG-IN INTO RAVE MOBILE SAFETY PORTAL

In order to update your contact information, visit https://www.getrave.com/login/rccd and follow the steps below:

1. Click On "Forgot Your Password"

Click on FORGOT YOUR PASSWORD -

Do not use the Register link!

If this is your first time logging in to the Rave Portal, please use the **FORGOT YOUR PASSWORD** link directly under the password prompt. You will receive further log-in instructions to your RCCD email.

Check your RCCD email for the link to enter your password. An email should arrive from noreply@getrave.com. Click on the link provided or paste it into your browser. The link will take you to a "Reset Password" page.

OPT-IN TO OTHER CAMPUSES

As an employee or student, you will have the option to receive messages from colleges other than your home campus, by opting in to that college group. For example, if your home college is Moreno Valley College, but you attend classes at Norco College, then you can opt-in to receive emergency notifications for Norco College as well. Employees who travel to multiple locations can also opt-in to other RCCD campuses or the District Office.

To opt in to other college emergency messages:

Click on subscribe box to the group you would like to join.

Your account will automatically be added to the selected RCCD campuses or the District Office.
