Riverside Community College District
Curriculum Committee Minutes
October 18, 2016; 3pm; CAADO 209A

Approval of the Agenda

Approved

Approval of Minutes: October 4, 2016

Approved

College Curriculum Committee reports:

 Moreno Valley College (Pfeifle)

Recently had a Meta training presented by Steven Schmidt

Currently evaluating and discussing the appropriateness of adopting programs which may affect financial aid

Norco College (Johnson)

Recently had a basic Meta training – main focus was on DE proposal vies

Thursday, October 20, 2016 will be offering Curricucamp

 Riverside City College (Burchett)

RCC Curriculum Committee recently discussed the following:

Issues pertaining to Meta

Errors

Navigation

Course clean-up items in Meta

Curriculum – postponed the AUT (auto body) courses which were on the agenda

Greg Burchett is currently working with the AUT department and faculty

Announcements: none at this time

Curriculum Policy & Procedure:

Inclusion Requests

There have been several inclusion requests lately

Discussion and clarification of the inclusion request process:

The department/campus requesting the inclusion sends the request and supporting documentation to District Educational Services

The inclusion is reviewed by the District Technical Review Committee as a courtesy item

The inclusion is added to the adopting college's Curriculum Committee as an agenda item

The inclusion is added to the non-adopting colleges' Curriculum Committees as an information item

The inclusion is added to the District Curriculum Committee's agenda then continues through the regular review process

It was suggested that at a later time we may want to consider including a checkbox on the inclusion request form which indicates that the adopting department has notified/discussed the desire for inclusion with the originating department/college

Courses in limbo:

ACC 61/66 DE Proposals

Returned to author

ADJ 21

ADJ C2A

need to add to Moreno Valley agenda

ADJ 22

Need to add to Moreno Valley agenda

Need to add to Riverside agenda

AUT 41, 43, 44, 50, 51A, 53A, 53B, 54, 55A, 55B, 56, 57

Failed at Riverside

Returned to author

CON 74

Norco course stuck at college level

Brian Johnson has emailed the department but has not yet received a reply

ECO 9H

Email received from department immediately before District Curriculum Committee meeting indicating department and faculty support

Previously reviewed and approved at the Technical Review Committee

Reviewed and approved during meeting

Meta updated with DCC approval 10/19/2016

FIT S3B

Add to Moreno Valley agenda

GEG 1 and GEG 1L

Stuck at the Administrative Review level

Heather Edberg will contact the Administrative Reviewer

GUI 48A

need to add to Riverside agenda.

PSY/SOC 48

Brian Johnson indicated the course(s) was approved at Norco

The proposal was reviewed and approved during the meeting

Approval by DCC was entered in Meta on 10/19/2016

RIVERSIDE COMMUNITY COLLEGE DISTRICT
PROGRAM OUTLINE OF RECORD

Information Security and Cyber Defense   **College**: Riverside
         TOP Code: 0708.10

The Computer Networking: Cyber Security Certificate will give the students the basic skills needed in the field of Computer and information Security. The focus on Cyber Security will provide students with the basic skills needed for an entry-level career in Cyber Security. The courses provide an overview of the entire field. Topics covered will include Cisco Networking, Windows Operating System security, Linux security, Firewalls, Intruder Detection systems, Security policies and procedures, Web security, and building a secure computer network. This program also maps to the California Community Colleges IT Technician pathway and C-ID state approved model curriculum.

Certificate Program
Program Learning Outcomes
Upon successful completion of this program, students should be able to:
Analyze fundamental principles and topics of Information Technology Security and Risk Management at the organizational level.
Introduce the concepts, principles, and techniques, supplemented by hands-on exercises, for attacking and disabling a network with the context of properly securing a network.
Describe the architecture, components, and operations of routers and switches basic functionality.
Configure and troubleshoot routers and switches, resolve common issues dealing with security points of failure in a medium size LAN.
Validate essential knowledge of Linux and open source for employment in IT/technical support mobile application support and network operations security.
Identify environmental issues, understand and comply with disaster recovery, and physical software security policies and procedures.
Securing Industrial Control systems including identifying risks, configuring devices, protocols, attack methods, and security of ICS networks.

Required Courses (17 Units)		Units
CIS-26A	Cisco Networking Academy 1A	4
CIS-26B	Cisco Networking Academy 1B	4
CIS-27	Information and Network Security	3

Select another 6 units from the following

CIS-21A	Intro to Linux Server Professional LPIC-1	3
CIS-21	Introduction to Operating Systems	3
CIS-23	Software End User Support	3
CIS-27A	Computer Forensics Fundamentals	3
CIS-27B	Industrial Control Systems Security	3

RIVERSIDE COMMUNITY COLLEGE DISTRICT

C++ Programming College: Riverside

TOP Code: 0707.10

Completion of this certificate provides the student with a minimum entry level skill set employed in creating C++ applications.

Certificate Program
Program Learning Outcomes
Upon successful completion of this program, students should be able to:
   Create structured and Object Oriented Programs in C++ for business, gaming, and STEM projects by identifying the information input requirements, synthesizing the algorithmic steps needed to transform the data into the required output format, then organize the results to facilitate user communication.
   Use C++ libraries to create projects that incorporate the following:
   Multiprocessors
   Multimedia
   ODBC
   SQL
   Establish client/server relationships
   Use C++ libraries to create projects that incorporate STL, GUI, and user defined data structures.

Required Courses (13 Units) Units
CIS/CSC-5   Programming Concepts and Methodology I: C++   4
CIS/CSC-17A Programming Concepts and Methodology II: C++ 3
CIS/CSC-17B C++ Programming: Advanced Objects   3
CIS/CSC-17C C++ Programming: Data Structures   3

RIVERSIDE COMMUNITY COLLEGE DISTRICT
PROGRAM OUTLINE of RECORD

Java Programming   College: Riverside

Completion of this certificate provides the student with a minimum entry level skill set employed in creating Java applications.

Certificate Program
Program Learning Outcomes
Upon successful completion of this program, students should be able to:

Create structured and Object Oriented Programs in Java for business, gaming, and STEM projects by identifying the information input requirements, synthesizing the algorithmic steps needed to transform the data into the required output format, then organize the results to facilitate user communication.
Use Java libraries to create applications that incorporate the following:
Multiprocessors
Multimedia
JDBC
SQL
Establish client/server relationship.
Use Java libraries to create projects that incorporate Collections, GUI, and user defined data structures.

Required Courses (13 Units) Units
CIS/CSC-5   Programming Concepts and Methodology I: C++   4
CIS/CSC-18A Java Programming: Objects   3
CIS/CSC-18B Java Programming: Advanced Objects 3

Riverside Community College District
Curriculum Committee Minutes
November 14, 2016 3pm; CAADO 209A

A. Call to Order.

B. Approval of the Agenda.

   a. Agenda Approved.

C. Approval of Minutes:

   a.

   b. 2016-11-01 minutes approved.

D. College Curriculum Committee reports:

   - Moreno Valley College (Pfeifle)
      - Ann Pfeifle will be conducting two Meta trainings on the Moreno Valley campus: November 22, 2016 and December 2, 2016.
      - Moreno Valley is considering creating a curriculum email address in order to create and maintain institutional history and knowledge of curriculum related items.
   - Norco College (Johnson)
      - Norco held ENG-60B at their last curriculum meeting due to linkages in the proposal. When ENG-60A is approved this issue should be resolved.
   - Riverside City College (Burchett)
      - There was discussion of AOE deadlines at the last Riverside City curriculum meeting. Current tentative deadlines are:
         - Feb. 27 deadline for AOEs
         - March 14 vote on AOEs

   E. Announcements.

Curriculum Committee Minutes
February 21, 2017; 3pm; CAADO 209A

- Call to Order.
- Approval of the Agenda.
    - Approved.
- Approval of Minutes.
    - Minutes will be reviewed and approved at the next meeting.
- College Curriculum Committee reports:
    - Moreno Valley College (Pfeifle)
        - A Meta training was held during Flex day, 15+ attended.
    - Norco College (Johnson)
        - No report.
    - Riverside City College (Burchett)
        - A Meta training was held.
- Announcements
    - None.
- Curriculum Policy & Procedure
    - Discussion of the District process for GE changes
        - A draft of forms has been prepared.
        - Questions were raised regarding whether there was already a process, forms, and deadlines in place
            - It was indicated that information regarding this was published on the old Curricunet site and had previously been sent to faculty the past two Fall quarters.
                - Kevin Fleming will forward some information to the Committee.
                - Discussion will continue.

Approval Items

- New Courses: None.
- New Stand Alone Courses: None.
- Course Inclusions:

- Norco
    - CIS-90   Microsoft Outlook
        - Approved.

- Distance Education: None.
- Minor Course Modifications: None.
- Major Course Modifications:

- ADJ-21 Control & Supervision in Corrections
    - Approved.
- ADJ-22 Legal Aspects of Corrections
    - Approved.
- ENG-60B English Fundamentals: Paragraph to Essay
    - Approved.
- FST-2 Introduction to Television Studies
    - Approved.
- FST-3 Introduction to International Cinema
    - Approved.
- FST-4 Introduction to Film Genres
    - Approved.
- FST-5 Fiction and Film: Adaptation
    - Approved.
- FST-7 History of World Film I: From the Beginning through the 1950s
    - Approved.
- FST-8 History of World Film II: From the 1950s to the Present
    - Approved.
- CON-74 Construction Estimating
    - Approved.

- Course Exclusions: None.
- Course Deletions:
    - Riverside
        - FST-6 Screenplay Analysis: The Craft of the Screenplay
            - FST-6 has only been offered once (approximately four years ago)
            - FST-6 covers coursework similar to FTV-42 which has expanded curriculum and is a core course for the planned AD-T in Film and Television. Students are better served by taking FTV-42.
        - Approved.
- New State Approved Certificates/Degrees: None.

    - Course Deletions: None.
    - New State Approved Certificates/Degrees: None.
    - State/Locally Approved Certificate/Degree Modifications: None.

Riverside Community College District
Curriculum Committee Meeting Minutes
March 7, 2017, CAADO, Room 243

	Members	Liaisons/Admin/Staff/Guests
☑	**Greg Burchett**, *Chair, RCCD Curriculum Committee*	**Steven Schmidt**, *RCCD Technical Review Chair*
☑	**Heather Edberg**, *RCCD Educational Support Specialist*	
☑	**Brian Johnson**, *Chai, Noro College Curriculum Committee*	
☑	**Ann Pfeifle**, *Chair, Moreno Valley Curriculum Committee char.*	

A.   Chair called the meeting to order at 345pm.

B.   The **agenda** was approved with minor corrections (Johnson/Pfeifle/Consensus).

C.   The **minutes** of December 6, 2016 and February 21, 2017 were approved (Pfeifle/Johnson/Consensus).

D.   College Curriculum Committee reports:

Moreno Valley College (Pfeifle)

At the MVCC meeting, questions regarding district-wide courses with TBA hours, and how each college would report TBA hours if they choose not to hold them.

For clarification, there is no problem in reporting how classes are scheduled, even if the course outline of record shows TBA hours. The TBA option on the course outline of record is an option for colleges, not a mandate.

There is an issue with a MV faculty member who has an account in META, but the account cannot be found. Steven Schmidt will look into this issue.

Norco College (Johnson)

There was a question raised at the Norco CC meeting regarding differences between AS and AA degrees, and how they differ between programs.

Riverside City College (Burchett)

There was a concern at the Riverside CC meeting regarding local certificates applying for state-wide approval. This has led to further discussion.

E.   **Open Hearing:** No items were discussed.

D.   **Announcements:** No items were discussed.

F.   **Curriculum Policy & Procedure:**

Transcript inclusion of all certificates, awards, honors and degrees:

Upon discussion regarding rationale for local certificates applying for state-wide approval, it was discovered that one potential area of concern is that transcripts generated for students within RCCD don't include much information regarding what they achieved during their educational journey at RCCD.

The lack of information on student transcripts also may hinder the tracking of success.

It was decided that Burchett would draft language for the District CC to consider, formally asking the District Academic Senate to sponsor a resolution calling for all RCCD transcripts to contain any award, honor, certificate or degree granted by any college within the District.

G. **Approval Items**

New Courses: Motion (Pfeifle/Johnson/Consensus) to approve the following new course.

Course	Title	Location	Comment
ENG 70	Composition Fundamentals	MNR	New course was approved.

New Stand Alone Courses: None.
Course Inclusions: None.
Distance Education: None.

Minor Course Modifications: Motion (Pfeifle/Johnson) to approve the following course minor modifications.

Course	Title	Location	Comment
EAR 24	Introduction to Curriculum	MNR	Minor modification was approved.
EAR 30	Practicum in Early Childhood Education	MNR	Minor modification was approved.
MKT 40	Advertising	MNR	This course failed at Riverside CC, and was held at Moreno Valley CC. DCC approval postponed until next meeting.

Major Course Modifications: Motion (Pfeifle/Johnson) to approve the following course major modifications.

Course	Title	Location	Comment
EAR 19	Observation and Assessment in Early Childhood Education	MNR	Major modification approved.
EAR 23	Family Home Child Care Program	MR	Major modification approved.
EAR 25	Teaching in a Diverse Society	MNR	Major modification approved.
EAR 26	Health, Safety and Nutrition	MNR	Major modification approved.

Riverside Community College District
Curriculum Committee Minutes
May 2, 2017 3pm; CSA 209A

A. Call to Order.

B. Approval of the Agenda. APPROVED

C. Approval of April 14, 2017 Minutes: Postpone to Next Meeting

D. College Curriculum Committee reports:

- Moreno Valley College (Pfeifle)
- Norco College (Johnson)
- Riverside City College (Burchett)

  E. Announcements:

- BIO changes will wait & all go together.

  F. Curriculum Policy & Procedure:

- Curriculum Chairs have authority to move single college proposals forward @ Dept & College level.
- For Discipline with no fulltime faculty Dept Chair can act as facilitator.

Approval Items

- New Stand Alone Courses: None.
- Distance Education: None
- Minor Course Modifications: None
- Major Course Modifications:

The following courses were originally submitted as "new courses". Each course was approved at Riverside as new courses. Course proposals were modified from "new" to "major modifications" of existing courses. At the Riverside CC meeting, these were placed onto the agenda to address any further concerns. No discussion was raised, and consensus to approve these courses as major modifications was agreed upon. At the Norco CC meeting, many of these courses major modifications were approved, but there are other courses proposals that are unclear (as noted below). At the MV CC meeting, all courses consideration was postponed due to lack of quorum.

Course	Title	Location	Action
