Course Exclusions

M N R Discussion

ENG 35 [Women in Literature](#)

Rationale: Riverside City College would like to exclude English 35, Women in Literature (formerly Images of Women in Literature) from its course offerings. English 35 is no longer scheduled/offered at Riverside City College because it has not successfully filled in the past attempts to offer it. Students prefer the more standard English 34, Literature by Women, which does continue to fill when offered.

MOV: Info Item, 9/12/2023 **NOR:** Info Item, 9/12/2023 **RIV:** **Hold, 9/12/2023**

GUI 47A [Career Exploration](#)

Rationale: Guidance 47A will allow students to identify their personal career related attributes such as interests, abilities, and skills, apply them to various job opportunities, explore those good career options and evaluate good options using a multi-factor analysis that will help identify the best option. Norco College has expanded the definition of a "Comprehensive Student Education Plan" to move beyond just an academic plan. It now includes the addition of a career plan and a financial plan. Our hope is that the inclusion of Guidance 47A at Norco College will help provide these comprehensive plans to students that enroll.

M N R Discussion

ALR 4 [Critical Reading, Thinking, and Writing](#)

ENG 11 [Creative Writing](#)

Rationale: Updates are a result of our most recent assessment project (2021-22). We included nonfiction in the course description to recognize its place in contemporary creative writing pedagogy and to keep our description aligned with CRWT 56, the course with which we articulate at UC Riverside. We cleaned up the language of our SLOs. With text options, we updated and enhanced texts to include creative nonfiction selections, updated editions of previous texts, and added peer-reviewed OER resources. Entrance level skills were revised to match the most recent revisions to ENG 1A and 1AH. Finally, we included equity-minded considerations for historically underrepresented authors in SLO #1 as well as content area #4.

KIN [Fitness Professionals](#)

Rationale: KIN 200 is a course that has been deleted district wide, so it needs to be removed as an elective. KIN 35 fits into the certificate as an elective rather than a required course. If this is a modification to an existing ADT, please specify the changes being made:

Rationale:

The mission of the Associate in Arts in History for Transfer Degree is consistent with the mission of the community colleges as established by the Legislature in Education Code section 66010.4 in that it offers academic instruction at the lower division level for both younger and older students, including those persons returning to school.

Moreover, the Associate in Arts in History for Transfer Degree will provide a rigorous educational experience designed to prepare students for successful engagement and mastery of upper division work in History, and is comparable to the first two years of undergraduate study at a California State University.

The course curriculum for the transfer degree meets the requirements for transfer to the California State University System baccalaureate degree programs in History and other related disciplines.

The changes to the Associate in Arts in History for Transfer Degree align with the current catalog offerings in the discipline. As part of AB-928, students will be mapped into an ADT to encourage completion of degree and transfer. These adjustments enable students to complete their degree.

The Program Requirements section for the certificate is changing. The total units required for the certificate are changing from 11-14 units to 10 units. The Required courses are changing from 10 units to 7 units, removing KIN 35 from the Required Courses to the Elective Courses. Finally, remove KIN 200 from the Elective Courses.

Rationale:

KIN 200 is a course that has been deleted district wide, so it needs to be removed as an elective. KIN 35 fits into the certificate as an elective rather than a required course. This gives students more of a variety of courses to choose from in the elective courses. Deleting KIN 200 has changed the total units required for completing the Fitness Professional Certificate.
