3. Riverside
 - a. Planning on holding the election on May 12.
 - b. The RCC curriculum committee denied the proposal for the three noncredit CIS Canvas courses.

Action Items

- 1. Curriculum Proposals

Discussion Items and Public Comment

- 1. Aligned Fall Flex Check In for Title 5 55001 – Kelly Douglass
 - a. This topic will be discussed at Standards, but should be a standing item at DCC for the remainder of the term.

- 2. Open Forum
 - a. Nick Sinigaglia – What is the timeline for implementing 55001? When will the fields be required in Curriqnet?
 - i. Kelly Douglass – At Fall Flex week we can announce it and present it. Faculty will start seeing the fields in the fall.
 - b. Nick Sinigaglia – We have now moved courses forward that do not conform to SAAM. Do we notify someone?
 - i. Kelly Douglass – There is no curricular reason to hold the courses.
 - ii. Nick Sinigaglia – Do we want a joint policy on communicating to administration?
 - iii. Kelly Douglass – The SAAM change is a financial issue that is happening to the District. It is not a curricular issue. We have tried to help and support faculty who are adjusting to it and to make them aware of the consequences of not changing the courses and the financial impact. Faculty are in charge of their CORs. We know we have courses going forward that do not conform to the full funding because they have to for licensure, such as COS and NRN, but we do not have a Title 5 reason to stop the courses.
 - iv. Nick Sinigaglia – We are not the ones to tell them whether its ok or not. Concerned about it coming through curriculum and faculty assuming that there are no impacts.
 - v. Brian Johnson – With the courses approved at Tech Review, Brian would plan to mention to the committee that the courses have the unit overhang so they are aware, but will also say we cannot force them to change it.
 - vi. Kelly Douglass – Would likely do the same.

- 3. Public Comment for all items on or not otherwise on the agenda.
 - a. None.

Adjournment: 4:07pm
