Call to Order: 4:36pm

Agenda and Minutes

1. Approval of Agenda
Motion: Johnson; Second: Sinigaglia
Approved, Unanimous

Action Items

1. Curriculum Proposals
Motion: Johnson; Second: Sinigaglia
Discussion:
 - a. Kelly Douglass – At DCC, the work experience courses were previously held to identify if language listed as an advisory should be a limitation on enrollment. Bryan Medina found statutory language that shows the language should be a limitation. Is there any concern with clerically correcting the CORs and contacting the originators to let them know about the change?
 - i. Brian Johnson – Want to ensure students are not blocked from registering for the course.
 - ii. Bryan Medina – Spoke with Ashley Etchison who stated the student's work placement is reviewed as a part of the course by the faculty. We would not configure the courses to block students at the point of registration.
 - b. Kelly Douglass – PSYC-42 has passed at Moreno Valley and Norco, but was held at Riverside. Riverside had concerns regarding some potential content overlap with ADJ.

- i. Rakel Larson – The content of the course is under the purview of what is generally called a Psychology and Law Course. A typical psychology course does contain that content. Regarding the topics of evidence, the content is about how jurors interpret evidence, how compelling people find it, how presentation of evidence matters and influence decision making.
- c. Curriculum proposal approvals can be found on the subsequent pages.

Discussion Items and Public Comment

- 1. Open Forum
 - a. Brian Johnson – Norco found there was a slight discrepancy with the advisory for ESL-890D compared to ESL-90D.
 - i. This was corrected in the meeting.
 - b. Nick Sinigaglia – There was a error with HLS-5 being listed as a minor mod.
 - i. Bryan Medina – This has been corrected.
- 2. Public Comment for all items on or not otherwise on the agenda.
 - a. None.

Adjournment: 4:53pm
