For the MAT support courses below, entrance skill links may need to be adjusted. No minutes attached. The credit version of these courses are not coded as Basic Skills, which creates an issue for non-credit eligibility. The intent was to mirror the support courses. For ENG, ENG-91 was purposefully written as not a Basic Skills course, but ENG wrote a non-credit version that pulls some curriculum from ENG-91 and ENG-50, which was basic skills, in order to make it eligible for non-credit approval.
