GEG **Geography**

Rationale: The Geography ADT description and learning outcomes were written by former faculty, now retired, and have been updated by new faculty in the process of program review. The program description and learning outcomes required updates to reflect the current state and direction of the discipline, as well as areas of focus for our new faculty and course offerings. We are also adding new courses that were previously approved but are not reflected in the current ADT.

MUS **Music Technology**

Rationale: We have two new courses in our music technology area, MUS-11 (studio recording) and MUS-P11 (live sound reinforcement), both of which cover specific, focused topics within the area of music technology. In our existing Music Technology Certificate, we have one class, MUS-9 (film scoring), which is also a very specific, focused topic. We'd like to now offer our students the chance of taking one course in the focus area of their choice, in order to satisfy this certificate. So, instead of only giving them the option of taking MUS-9, we'd like them to have the choice of taking MUS-9, MUS-11 or MUS-P11 in order to satisfy this certificate in music technology.

NNA **Nursing Assistant**

Rationale: HET-80 is being changed to NNA-80 due to the discipline name change.

Degree & Certificate

ADJ **Administration of Justice**

Rationale: The current 27-unit certificate and associate's degree requires the students to take 9 units above the required 18 units for their core classes in Administration of Justice. Moreno Valley College is committed to assisting our students in completing their certificates and degrees in a timely manner, therefore reducing this certificate to 18 units.

Moreno Valley College is very interested in dual enrollment and reducing the certificate and associate's degree to 18 units would allow high school students the opportunity complete the certificate in high school and then transfer to Moreno Valley College, with their core requirements completed.

ADJ **AS: Corrections / Certificate: Basic Correctional Deputy Academy**

Rationale: California Standards of Training for Corrections updated the requirements for the Basic Correctional Academy (MVC ADJ C1D).
