

- to their plan.
- b. Ellen Brown-Drinkwater – The Articulation Officers will need to know how students are actually placing.
 - c. Nick Franco – We previously had MAT 5 and 105. Will MAT 105 no longer be offered?
 - d. Kelly Douglass – This is an AB705 and VPAA issue. All of the paths should be clearly communicated to students, as AB1805 states. The Articulation Officers should meet with the AB705 coordinator and the VPAAAs.
 - e. Brian Johnson – The sequence depends on student placement. Some students are placed into MAT 9, or into MAT 9 with 109 as a support course. Additionally, MAT 9 is replacing MAT 35, and both courses have the same number of units. It's also purview of MAT faculty to determine the best prerequisite for each class. The chart is trying to show the different sequences the student can take. It's possible MAT 105 is not listed on the chart because it wouldn't be needed if a student completes MAT 9. It may be misleading, but this information should be relayed to the MAT faculty.
