### **Agenda and Minutes**

1. Approval of Agenda
  - a. 1<sup>st</sup> A. Pfeifle, 2<sup>nd</sup> K. Douglass
  - b. Approved, Unanimous
2. Approval of Minutes - October 5, 2021
  - a. 1<sup>st</sup> A. Pfeifle, 2<sup>nd</sup> B. Johnson
  - b. Approved, Unanimous

### **Action Items**

1. Curriculum Proposals
2. AB 361 Approval
  - a. No action taken.

### **Discussion Items**

1. General Updates – Bryan Nicol
  - a. GE Catalog Update
    - i. Current disciplines still pending are PHO, HMS, and ETS. The committee

agreed the GE itemized list will be brought to the next Tech Review as an action item and then will proceed to college and DCC.

- b. AB 1111, Common Course Numbering
  - i. AB 1111 was recently signed into law which mandates that the community college system adopt a system-wide common course numbering system by summer 2024. It would be beneficial for the committee and coordinators begin brainstorming a local approval process in preparation for when the system is finalized.
  
- c. Area of Emphasis Degrees
  - i. A workgroup consisting of Dr. Kim, Bryan Nicol, the three articulation officers, and the district institutional research team met Friday, October 8 to review the concerns about transitioning away from the AOE's and the type of data that the group will need to review. The group intends to meet weekly beginning Friday, October 22. The goal is to have a formal report to DCC on November 16 followed by a report to the Chancellor in early December.
  - ii. Kelly Douglass – Ideally the report on November 16 would be a presentation of the information with an invitation for more discussion. Additionally, the data should be disaggregated by college as one of the goals is to identify the students at each college who would be in an AOE because no other program is available to them.
    - 1. Bryan will provide this feedback to the group when they next meet.
  - iii. Jennifer Floerke – Additionally, AB928 has recently passed that requires that all students be enrolled in an ADT unless they opt out, excluding CTE programs. The legislature is also looking to do away with CSUGE and IGETC in exchange for a single transfer pathway.
  - iv. Kelly Douglass – We have local degrees, such as our AA in Dance. Since there is no ADT in Dance, what happens to these students?
  - v. Steven Schmidt – We also have an AA in Music specifically designed for transfer students because the ADT is not adequate for transfer.
  - vi. Jennifer Floerke – They would be placed on an ADT. The CSUs are also at capacity, so even if students are on an ADT, there is no guarantee they will be admitted.
  - vii. Kelly Douglass – Who can we communicate concerns to?
  - viii. Jennifer Floerke – An intersegmental committee of various constituents is being put together. The different higher educational systems were all opposed to the legislation, so the members of the group will most likely be on the same page.
  - ix. Ellen Brown-Drinkwater – Counselors have been working on a document to outline the concerns regarding this and the transition away from the AOE's, which could be shared at the next Tech Review.
  - x. Jeanne Howard – The UCs do not guarantee students on an ADT admission to the system, which would be another problem.

## **Program Documentation**

1. New Programs
  - a. Data Analytics
  - b. Data Science
2. Program Modifications
  - a. Crime Scene Investigation – Norco
  - b. Crime Scene Investigation - Riverside
  - c. Computer Applications
