	Ann has minutes to attach. Our Chancellor would like to add more ADTs. There are several ADTs MOV cannot offer due to lab space or other issues. For years, MOV has tried to get the money and support for new facilities. We have three chemists that have made a huge effort to develop an alternative. Pre-COVID, MOV had set up an agreement with UCR to use their lab space or area high schools. There are new labs that can be done that are green and don't have the issues of chemical storage. Moreno Valley faculty are doing everything they can do adopt this course. The Chancellor may not be aware of what the requirements are for the ADT and that the courses must be offered at the college in order to adopt the ADT.
