2. Approval of Minutes – May 21, 2024
Motion: B. Johnson; Second: N. Sinigaglia
Approved, Unanimous

Action Items

1. Curriculum Proposals

Discussion Items and Public Comment

1. AP 2101 – Independent Study and Possible Approval Timeline – Kelly Douglass
 - a. The committee agreed to the following timeline to the approve AP 2101:
 - i. September 5 – Academic Standards
 - ii. September 10 – College Curriculum Committee
 - iii. September 17 – DCC
 - iv. Subsequent Senate Meetings, then Board Approval

- b. Kelly Douglass – After the AP was discussed at Standards, DCC, and Senate in the spring, feedback from those groups was incorporated into the AP and it has been rewritten. The AP will need to go to Standards, and then again to the College Curriculum Committee, DCC (where we should invite legal counsel), and then the Senates and the Board. We may need additional review from District Counsel and the Faculty Association. PSY-60 should now be sent back to draft for faculty to make edits to align with the AP.
2. Follow Up on HR Liaison Request and FSA Info E-mail – Kelly Douglass
 - a. Kelly Douglass – In June, Ann Pfeifle and Kelly Douglass worked on an e-mail sent to former VC Susan Mills, VC Few, and the VPAAAs. It outlines the chairs’ understanding of the differences in responsibility between being hired into an FSA versus later applying and being granted the FSA by HR. Susan Mills responded confirming their understanding was correct.
 - b. Kelly Douglass – Because of this, we need to ensure that the proper discipline members are being asked to review curriculum in Meta. We need a list of who was hired into a discipline and who was later granted the FSA. Additionally, we need a contact in HR who can assist with curriculum related questions.
 - c. Kelly Douglass will forward the information to Eric Bishop and he will meet with VC Few to discuss.
3. Approval Process for Upper-Division Courses in Baccalaureate Programs – Nick Sinigaglia
 - a. Nick Sinigaglia – Last semester, Charles Wilhite presented to DCC that he intends to develop a baccalaureate program in disaster management. He needs to submit a preliminary proposal to the State in January, but it doesn’t need to include curriculum. If that’s approved, he can develop the curriculum in the spring. What he needs now is an outline of what our process will be for approving upper division coursework. He will also need to distinguish the upper division coursework for both the major and the upper division general education. Upper division courses can only be accessible to the students in the baccalaureate program. At Solano Community College, they have a thorough outline and check list of resources for the curriculum committee for what distinguishes a two-year program from a four-year program.
 - b. Kelly Douglass – A part of the proposal also needs to show that the curriculum committee is trained in how to review upper-division courses. Is it sufficient to provide the faculty with our current process, and a more detailed process can be developed in the spring?
 - c. Nick Sinigaglia will draft language and provide to the group for input.
4. 2021 Handbook Link Updates – Steven Schmidt
 - a. Steven Schmidt – The handbook has been revised with updated links and some other minor edits. Can we move forward with posting the handbook to the websites?
 - b. The committee agreed the handbook can be posted.
5. AB 1111 – Bryan Medina
 - a. Bryan Medina – At this point we still do not have templates for the courses. Is our plan to still update the discipline code for all courses within a discipline affected by AB1111?
 - i. The committee confirmed that all courses within an affected discipline should be moved to the new discipline code.

- b. Nick Sinigaglia – Who is drafting the templates? Is that being done by faculty?
 - i. Kelly Douglass – Yes, as a part of the AB1111 workgroup. Most of the template comes from C-ID.
6. GE Areas on COR – Bryan Medina
 - a. The COR currently lists what areas the course fulfills in the GE patterns, however, the RCCD GE pattern has since been revised, and CSUGE and IGETC are being replaced with CalGETC. GE areas are not a required element of the COR. Is the committee comfortable with that content being removed from the COR?
 - b. Kelly Douglass – Where would students find GE information?
 - i. Bryan Medina – The college catalog.
 - c. Kelly Douglass – Do counselors use that information from the COR?
 - i. Nick Franco – Counselors do not reference the GE areas listed on the COR.
 - d. The committee agreed GE information can be removed from the COR.
7. Open Forum
 - a. None.
8. Public Comment for all items on or not otherwise on the agenda.
 - a. None.

Adjournment: 5:02pm
