

## Break Free From ABD and Earn Your Doctoral Degree

You've invested countless hours, passion, and dedication into your doctoral journey, and we believe that your hard work should not go to waste. At National University, we understand the challenges faced by students in the ABD (All But Dissertation) stage, and we are here to help you overcome those obstacles and achieve your long-awaited goal.

### The NU Dissertation Completion Pathway

Enter our Dissertation Completion Pathway (DCP): a groundbreaking program designed to empower ABD students. We recognize the immense potential within you and have created a pathway to reignite your academic journey, complete your dissertation, and finally graduate with the prestigious doctoral degree you've been working toward.

## Why National University's DCP Program?

Finding the right program to complete your dissertation is critical. ABD students will find themselves at home at NU, where incredible benefits set us apart. Here's what you can expect when you enroll in our DCP program:

**8-week classes**

**Year-round enrollment**

**100% online courses**

- **15% tuition reduction scholarship** for all college staff and faculty in the community, including spouses and dependents\*
- **Individualized, continuous support**

Make professional growth your mission and earn that doctorate! We know you've got what it takes to start a new chapter and become an expert in your field.

*\* Applies to first-time enrollment only.*
