

Commodity and Service Vendor Registration

Thank you for your interest in becoming a vendor with the Riverside Community College District (RCCD). We are committed to providing an equal opportunity for all business enterprises to participate in our purchasing and contracting activities. By registering, you will be placed on the district's qualified bidders list and RCCD will make every attempt to notify registered bidders of bid opportunities. Please note that while registering as a vendor with RCCD places you on the bid list for the classifications selected, it does not guarantee notification of bid opportunities; therefore, vendors are encouraged to regularly check the RCCD [purchasing website](#) for solicitations in which your firm may be interested.
