Report No.: II-C

DATE: December 12, 2006

Subject: Resolution to Amend the Appendix of Riverside Community College District’s Conflict of Interest Code

Background: On November 15, 2005, the Board approved revisions to Board Policy/Regulation 1080 establishing a Conflict of Interest Code and Appendix. The Appendix designates those employees, members, officers, and consultants who are subject to the District’s Code and who must complete Form 700 each year, divulging any conflicts of interest. Since approval in 2005, mainly due to the transitioning to a three-college system, new job titles have been added, some job titles have been abolished, and other titles have been revised. In order to keep our Conflict of Interest Code Appendix current and pursuant to the Political Reform Act of 1974, these job title changes need to be made to the Appendix and approved by the Board of Trustees by way of a Resolution.

Recommended Action: It is recommended that the Board of Trustees adopt Resolution No. 14-06/07, amending the Appendix of the District’s Conflict of Interest Code, pursuant to the Political Reform Act of 1974.

WHEREAS, the Board of Trustees adopted a Conflict of Interest Code (the “Code”) which was amended on November 15, 2005, in compliance with the Act; and

WHEREAS, subsequent changed circumstances within the District have made it advisable and necessary pursuant to Sections 87306 and 87307 of the Act to amend and update the Appendix of the District’s Code; and

WHEREAS, the potential penalties for violation of the provisions of the Act are substantial and may include criminal and civil liability, as well as equitable relief which could result in the District being restrained or prevented from acting in cases where the provisions of the Act may have been violated; and

WHEREAS, notice of the time and place of a public meeting on, and of consideration by the Board of Trustees of the District, the proposed amended Appendix was provided each affected designated employee and publicly posted for review at the offices of the District; and

WHEREAS, a public meeting was held upon the proposed amended Appendix at a regular meeting of the Board of Trustees on December 12, 2006, at which all present were given an opportunity to be heard on the proposed amended Appendix.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the Riverside Community College District that the Board of Trustees does hereby adopt the proposed amended Appendix of the Conflict of Interest Code, a copy of which is attached hereto and shall be on file with the Director, Contracts, Compliance and Legal Services, as the District’s Filing Officer, and available to the public for inspection and copying;

BE IT FURTHER RESOLVED that the said amended Appendix shall be submitted to the Board of Supervisors of the County of Riverside for approval and said Appendix shall become effective 30 days after the Board of Supervisors approves the proposed amended Appendix as submitted.

Subject: General Education Student Learning Outcomes

Background: Presented for the Board’s review and consideration are the General Education Student Learning Outcomes, (SLOs), for Academic and Vocational Degree Programs of Riverside Community College District. These SLOs are designed to act as guidelines in education planning in order to meet the goals and institutional mission of the district and its three campuses. Accreditation Standard II, A, 3 requires that, “General education has comprehensive learning outcomes for the students who complete it, including the following:

a. An understanding of the basic content and methodology of the major areas of knowledge: areas include the humanities and fine arts, the natural sciences, and the social sciences.
b. A capability to be a productive individual and life long learner: skills include oral and written communication, information competency, computer literacy, scientific and quantitative reasoning, critical analysis/logical thinking, and the ability to acquire knowledge through a variety of means.

c. A recognition of what it means to be an ethical human being and effective citizen: qualities include an appreciation of ethical principles; civility and interpersonal skills; respect for cultural diversity; historical and aesthetic sensitivity; and the willingness to assume civic, political, and social responsibilities locally, nationally, and globally.”

The General Education SLOs were developed over the course of several years, spearheaded by the District Assessment Committee with feedback from most discipline members in all areas of general education. Each campus Faculty and Student Senate reviewed and approved the outcomes. The Assessment Committee finalized the outcomes at its May 19, 2006 meeting. They were approved by the District Academic Planning Council on November 3, 2006 and the District Academic Senate on December 11, 2006.

Recommended Action: It is recommended that the Board of Trustees approve the General Education Student Learning Outcomes for Academic and Vocational Degree Programs.

Report No.: V-A-4-a  Date: December 12, 2006

Subject: Budget Adjustments

Background: The 2006-07 adopted budget represents our best estimates of both income and expenditures. As the year progresses, however, some accounts have surplus funds while others are underbudgeted. As provided in Title 5, Section 58307, the Board of Trustees may approve transfers between major expenditure classifications to allow for needed purchases. Unless otherwise noted, the transfers are within the unrestricted General Fund (Fund 11, Resource 1000). The following budget transfers have been requested:

We have established this collaborative effort between Riverside Community College District- Moreno Valley Campus and the University of California, Riverside with the overarching goals to:

1. Improve learning and increase student persistence, transfer and graduation rates with a special emphasis on low income and Hispanic students.
2. Create a Center for Faculty Development (CFD) to assist faculty in improving understanding of students and learning and developing more appropriate instructional methods to improve student learning and success.
3. Reorganize, integrate and strengthen the curriculum in ESL and in mathematics to better address the needs of the targeted population.

A video recording of the Play (the "Video recording") may be created by Licensee as a non-commercial venture for archival purposes, which video recording may not be sold, leased or rented except as provided as herein. In addition, Licensee may authorize participants in the Play (i.e., cast, crew, creative team) or their families to create a video recording of the Play solely for their own personal, at-home (i.e., non-commercial) use. Alternatively, Licensee may hire an outside party to professionally make one video recording of the Play provided that such video recording may only be used (a) for archival purposes, and/or (b) to make additional copies of the recording that may be sold to participants in the Play or their families for their own personal, at-home (i.e., non-commercial) use. Such outside party may not use the name "Disney" or any other trademarks of The Walt Disney Company in any way, except to indicate the content of the video recording. 

3. As a condition to the rights granted herein, Licensee agrees to use good faith efforts to inform all audience members of the restrictions and limitations on video recording and the subsequent use thereof, as set forth herein. As a minimum, Licensee agrees to include a statement in the Play’s program substantially in the form provided below and shall further inform audience members of the below limitations by way of an announcement prior to the start of each performance of the Play:

ANY VIDEO RECORDING MADE OF THIS PERFORMANCE IS AUTHORIZED FOR PERSONAL, AT-HOME, NON-COMMERCIAL USE ONLY. THE SALE OR DISTRIBUTION OF SUCH RECORDING IS STRICTLY PROHIBITED UNDER FEDERAL COPYRIGHT LAW, 

4. In no event may any video recording of the Play authorized herein, either in whole or in part, be otherwise reproduced and/or disseminated in any way, including broadcasting, televising, sale or electronic transmission and/or posting on the Internet. 

5. Licensee understands that its failure to follow the above requirements, even in inadvertent, will incur liability for statutory copyright infringement under federal law. Licensee agrees that, without limiting any other recovery that MTI may obtain against Licensee, whether at law or at equity, for its breach of this Agreement, Licensee shall, at a minimum, reimburse MTI for its out-of-pocket legal fees and shall pay to MTI damages equal to three times the total license royalty fees paid or payable to MTI by Licensee for its production of the Play. 

6. All other provisions, terms and conditions of the License Agreement shall continue in full force and effect.

Prepared by: Carolyn L. Quin
Dean, Riverside School for the Arts
The University/Resident Theatre Association, Inc. is offering the CONTRACT MANAGEMENT PROGRAM to schools and theatres who wish to hire professional Directors/Choreographers but are unable to do so. In most instances, the CONTRACT MANAGEMENT PROGRAM allows a college, university or theatre to employ a professional Director/Choreographer without having the Director/Choreographer added to their payroll, particularly when the program is unable to make certain necessary payments for the Director/Choreographer, such as union pension and health, etc.

If your organization wishes to employ a professional Director/Choreographer under this program, the following general points of information should be considered carefully before further application is made:

1. When contracting a professional Director/Choreographer for employment, the employer must follow the rules and regulations set forth by the Society of Stage Directors and Choreographers (SSDC), the union of professional directors and choreographers, which will be happy to supply the terms for any proposed agreement, and these terms must be unconditionally met unless dispensation in writing has been granted by the union's designated representative.

2. Any agreements between your organization and the Director/Choreographer are subject to the terms of employment supplied by the Director/Choreographer's union, and the Director/Choreographer should not agree to anything without complete knowledge of what the union requires.

3. U/RTA will advise an organization on the best procedure for contracting a professional Director/Choreographer, but will not negotiate terms with the Director/Choreographer's union, except in special instances, which may be handled by an URTA representative through correspondence with the organization.

4. Under union agreements, the employer is expected to pay pension & health, and supply other benefit payments on the Director/Choreographer's behalf. These payments should be taken into consideration when budgeting professional salaries or fees, over and above the gross figure.

5. U/RTA will be happy to employ the professional Director/Choreographer, who will be subsequently "loaned" to your organization. U/RTA will be responsible for the employee paycheck payments all benefit payments and all end-of-year tax filings. It is understood that U/RTA will charge a reasonable service fee for this work.

6. To protect the organization, the Director/Choreographer, and U/RTA, a LETTER OF
SECURITY must be submitted to U/RTA by a responsible fiscal authority of the university or theatre, guaranteeing the payment of all costs under the CONTRACT MANAGEMENT PROGRAM. This agreement must be received by U/RTA before any further contracting is done. U/RTA will, in turn, prepare similar security agreements with SSDC.

7. In a union contract under the CMP, U/RTA becomes the "producer of record." However, U/RTA will only serve in this capacity wherever professional employees are concerned. Your organization is expected to meet all terms of any union contract it is using through the CONTRACT MANAGEMENT PROGRAM.

8. In order to assure that U/RTA is fully aware of decisions made regarding the possible hiring of professional Directors/Choreographers, your organization should copy U/RTA with all pertinent correspondence, and contact U/RTA before contacting the Director/Choreographer's union regarding his/her employment.

The enclosed material should assist you in determining the feasibility of contracting a professional Director/Choreographer under the CONTRACT MANAGEMENT PROGRAM. If you have any questions, please do not hesitate to contact:

2. **Recitals.**
   2.1 WHEREAS, the principal members of District are experienced in providing educational training services; and,

   2.2 WHEREAS, City desires to engage District to render certain training courses as set forth in attached SERVICE AGREEMENT AND SCOPE OF WORK for the purpose of training City employees (Hereinafter “training”).

3. **Terms.**
   3.1 **General Scope of Services.**
       District shall provide professional services, including labor, and expertise, necessary to perform fully and adequately the tasks set out in the Scope of Work (hereinafter "training"), attached hereto as Exhibit "A" and Exhibit “B”, as necessary.

   3.2 **Term.**
       The term of this Agreement shall be from Oct 1st, 2006, until June 30, 2007, or as extended by mutual written agreement of the parties, or until such time as it is terminated pursuant to the provisions in Section 3.16.

   3.3 **Representatives.**
       The Director of Corporate and Business Development is the District’s Representative who shall coordinate all phases of the training service. District’s Representative shall be available to City at all reasonable times. The District may appoint another person as Representative upon verbal notice to City. Karen Parker-Hausner shall act as City's Representative for purposes of carrying out this Agreement and shall have authority to act on behalf of City for all purposes under this Agreement. 3.5.3 Mutual Agreement. Performance of any training services under this Agreement may be delayed upon mutual agreement of the Parties.

If failure of the Software is the result of accident, Client’s abuse, or misuse of the Software, TDC will have no responsibility to replace the Software or refund any portion of the License Fee or any other fee charged to Client hereunder. Any replacement Software will be warranted for the remainder of the Initial Term and any Renewal Term of this Agreement. TDC makes no warranty with respect to any third party software or Hardware acquired by Client through TDC under the Third Party Hardware and Software Agreement.

B. EXCEPT AS SET FORTH ABOVE, TDC MAKES AND CLIENT RECEIVES NO OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED RELATING TO THE SOFTWARE AND TDC HEREBY EXCLUDES ALL WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

C. TDC WILL NOT BE LIABLE FOR ANY GENERAL, SPECIAL OR CONSEQUENTIAL DAMAGES OR ANY OTHER EXPENSE INCURRED BY CLIENT ARISING OUT OF CLIENT’S USE OF THE PROVENUEPLUS SYSTEM, UNLESS ANY SUCH LOSS, DAMAGE OR INJURY IS CAUSED BY THE NEGLIGENCE OF TDC, ITS EMPLOYEES OR AGENTS.

17. CONFIDENTIALITY and NON-DISCLOSURE

A. Client acknowledges that the Software and Documentation is confidential information and constitutes a trade secret of TDC. Client, its employees and agents will not sell, transfer, publish or otherwise disclose the Software, the Documentation, or any portion thereof, to any person or entity without the prior written consent of TDC.

B. Client acknowledges that any actual or threatened breach of the provisions of this Section 17 will result in irreparable harm to TDC, for which monetary damages alone will be an inadequate remedy. Accordingly, and in addition to any other remedies available to TDC hereunder, or at law or in equity, TDC will be entitled to seek immediate injunctive relief without bond. If a court of competent jurisdiction issues an order in favor of TDC for injunctive or other equitable relief, Client will pay TDC all reasonable costs and expenses, including attorneys' fees, incurred by TDC in such action.

18. TAXES: Unless Client is tax exempt in the State(s) in which the Software is be utilized, Client agrees to pay all local, state and federal sales and use taxes, personal property taxes or any other taxes however designated, levied or based on the charges set forth in
this Agreement or in amounts in lieu thereof, paid or payable by TDC in respect of the foregoing, exclusive, however, of taxes based on the net income of TDC, which taxes will be borne by TDC. Client is responsible for paying all taxes relating and applicable to ticket sales arising out of Client's use of the ProVenuePlus System. If Client does not provide TDC with the appropriate tax exemption certificate upon execution of this Agreement, Client may be liable for any taxes applied.

19. TERMINATION.

A. Termination by TDC.

1. Immediate Termination for Non-Curable Breach. TDC may immediately terminate this Agreement upon Client’s breach of any provision of Section 3 (Permitted and Non-Permitted Use) or Section 17 (Confidentiality and Non-Disclosure) of this Agreement.

2. Termination Upon Failure to Cure. TDC may terminate this Agreement upon Client’s breach of the provisions of Sections 6 (Fees), 11.D (Access to the ProVenuePlus System), and 12 (Software Upgrades, Modifications and Enhancements) upon Client’s failure to cure any such breach following thirty (30) days notice from TDC.

B. Termination by Client. Client may terminate this Agreement upon failure of the ProVenuePlus System to pass Acceptance Testing pursuant to Section 10 (Acceptance) of this Agreement.

C. Termination by Either Party. Either party may terminate this Agreement for a breach of any other provision hereof, if the breaching party fails to affect a cure of such breach 30 days after receipt of written notice of breach and request for cure from the non-breaching party. Notwithstanding the preceding sentence, following receipt of such notice of breach, if the breaching party demonstrates that the breach is of a nature that cannot be cured within 30 days and such party demonstrates that it has undertaken good faith efforts to affect a cure within a reasonable time, then termination of this Agreement will not occur, provided the breaching party diligently completes the cure.

D. Effect of Termination. Upon any termination of this Agreement, Client will immediately cease using the ProVenuePlus System and return the Software and Documentation, and all copies thereof, to TDC. A duly authorized officer of Client will certify in writing to TDC that no copy of the Software, and Documentation, or any portion thereof, have been retained by Client.

E. Payment Obligations. With the exception of termination pursuant to Section 19.B. above and a non-cured breach by TDC, nothing in this Section 19 will relieve Client's obligations to pay the costs, expenses, and fees due and owing pursuant to Section 6 of this Agreement. In the event of termination due to a non-
cured breach by TDC, Client will only be responsible for costs, expenses and fees incurred up to the termination date.

F. Survival. The provisions of Sections 15 (Indemnification), 16 (Limited Warranty), 17 (Confidentiality and Non-Disclosure), 18 (Taxes) and 20 (Miscellaneous) will survive any termination of this Agreement.

In the event of any of the foregoing, this Agreement will not be deemed an asset of such party and the other party may terminate this Agreement immediately upon written notice to such party.

In the event a dispute or controversy arises under this Agreement such dispute or controversy will be brought in the appropriate State or Federal court sitting in Orange County, California.

VI. AFFIRMATIVE ACTION AND NONDISCRIMINATION

RCCD recognizes that the Facility is subject to various federal laws, executive orders and regulations regarding equal opportunity and affirmative action which may also be applicable to subcontractors. RCCD agrees to comply with and be bound by each of the applicable clauses referred to in this Section VI. and recognized that in the event of its failure to comply with such applicable clauses, rules, regulations or orders, this Agreement may be canceled, terminated or suspended in whole or in part.

VII. STATUS OF RCCD, ITS PERSONNEL, FACILITY

The parties expressly understand and agree that:

1. This Agreement is not intended and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture or association between RCCD and the Facility or their employees, students, partners, or agents, but rather is an agreement by and among independent agencies.

2. RCCD’s instructors and students are present at the Facility only for educational purposes, and such instructors and students are not to be considered employees or agents of the Facility for any purpose including, but not limited to, compensation for services, employee welfare and pension benefits, or any other fringe benefits of employment. Report No.: V-A-8-s                     Date: December 12, 2006

Background: On January 25, 2005 the District entered into a contract with Stephen C. Kuhn & Associates, Inc. to conduct a study for Management, Supervisory and Classified (including Confidential) positions. The Study is in the final stages of receiving and comparing survey data from other colleges. After this is complete, a final draft report will be presented by the consultant for initial examination and review. Due to the slow response of survey participants and final review of data, Stephen C. Kuhn is requesting an extension from December 30, 2006 to June 30, 2007 at no additional cost to the district.

Recommended Action: It is recommended the Board of Trustees approve the extension of the contracts between Riverside Community College District and Stephen C. Kuhn and Associates from December 30, 2006 to June 30, 2007 at no additional cost to the District.

Report No.: V-A-8-t  Date: December 12, 2006

Subject: Contract – Foundation Administrative Services, Inc.

Background: Under its contracts with the bargaining units, the District is required to offer the RCCD Plan as an option to provide health benefits to District employees. The RCCD Plan is a self-insured health plan which is expected to cost approximately $4,747,008 in Fiscal Year 2006/2007. The District has used Foundation Administrative Services, Inc. to administer the claims handling for the RCCD Plan for over 20 years. The services provided by the Foundation include claims processing, utilization review and PPO services. The Foundation also coordinates the claims handling with the CCN PPO, Caremark Pharmacy Services and the reinsurance carrier.

The Foundation’s new contract for the 2006 – 2008 contains a 3% increase for an anticipated annual cost of $53,821.44. The three year history of the Foundation contract costs is:

<table>
<thead>
<tr>
<th>Year</th>
<th>Cost</th>
<th>Participants</th>
</tr>
</thead>
<tbody>
<tr>
<td>2004/05</td>
<td>$52,500</td>

<td>$53,130</td>
<td>253</td>
</tr>
<tr>
<td>2006/07</td>
<td>$54,452</td>

</tbody>
</table>

The contract requires that RCCD hold the Foundation harmless except in cases of negligence, willful misconduct or fraud. This provision and the other provisions of the contract are typical for contracts with this type of vendor and represent the custom and practice of the industry.

Staff recommends acceptance of the contract with Foundation Administrative Services, Inc.

Recommended Action: It is recommended that the Board of Trustees ratify the agreement with Foundation Administrative Services, Inc. for September 1, 2006 through August 31, 2008 and authorize the Vice Chancellor, Administration and Finance to sign the agreement.

This Agreement by and between Riverside Community College District, hereafter referred to as "Employer," and Foundation Administrative Services, Inc., hereafter referred to as "Foundation" is effective as of September 1, 2006, and is to continue in force until August 31, 2008, subject to cancellation clause in Section XI. It is understood that;

Employer has established a self-funded employee health plan for its employees and dependents.

Foundation is an experienced claims administrator with established procedures for the review and payment of claims, Peer Review, and screening standards of health care.

Therefore it is hereby mutually agreed:

I. Administration of Employee Benefit Plan.
Foundation hereby agrees to perform the functions of administration for Employer's Employee hospital/medical benefit plan, hereafter referred to as the "Plan".

II. Obligations of Foundation.
Foundation shall perform functions reasonably related to the administration of the Plan, to include the following:

A. Review and process health service claims submitted to it in accordance with the terms of the plan document established by Employer for all eligible employees and/or dependents thereof, and pay these benefits from an account created and funded by Employer.

B. In processing and paying said claims, be entitled to rely upon current eligibility information as provided by Employer as well as information set forth on the claim form which appears regular and proper on the face thereof, and which is consistent with its medical policy and peer review. Foundation shall not be responsible to make an independent investigation of the information for, or liable for payment of any claims by it which payments are consistent with the provisions of this paragraph.

C. Provide its standard peer review system on all claims found necessary to be placed in that system.

D. Consult with Employer from time to time as reasonable regarding the operation of the claims procedure and benefits provisions.

E. Maintain records and accounts regarding the operation of the Plan; render monthly reports to Employer on the status of the Plan fund and the utilization by the employees and their dependents of the Plan benefits.
F. Maintain on behalf of Employer a bank account, which shall be used exclusively by Foundation for the payment of claims, filed by employees and their dependents pursuant to the Plan. The use of the account and records relating to that use shall be in accordance with accepted accounting principles to ensure that there is no unauthorized disbursement. It is specifically understood that said account shall not accrue interest on funds deposited therein. Foundation shall notify Employer by telephone of the funds needed to cover checks generated from processed claims. Employer will electronically transfer these funds within twenty-four (24) hours of notification. Upon receipt of verification of funds into the clearing account, Foundation will mail the processed checks. Foundation will send substantiating reports pertaining to the disbursement of funds to Employer within 24 hours of each call.

G. Provide payment services and eligibility to third party vendors for costs and payments incurred by eligible employees and their dependents.

H. Provide standard identification cards and claim forms at no cost to Employer.

I. Assist with employee meetings, at the direction of Employer, to inform and distribute any communications material to employees regarding the Plan.

J. Provide adequate staff to process claims and respond to inquiries from Employer, employees, and providers of service on a timely basis.

K. File stop loss reports and forms required with reinsurance carrier for stop loss reimbursement.

It is understood and agreed that the services to be performed by Foundation shall be ministerial in nature and shall be performed within the framework of policies, interpretations, rules, practices, and procedures established by Employer.

III. **Obligations of Employer.**

Employer agrees that in consideration of the functions performed by Foundation, Employer will undertake the following:

A. Provide Foundation with a copy of its current Plan, and any amendment or modification thereto, provided, however, that Foundation shall incur no liability as a result of any such amendment or modification with regard to any claims affected thereby, either prior to the effective date of such proposed amendment or modification, or prior to the actual receipt thereof by Foundation, whichever shall last occur.
B. Be solely responsible and obligated for the funding of the Plan. Foundation shall have no responsibility, risk, liability, or obligation for funding the Plan.

C. Provide relevant data to determine the eligibility of participants in the Plan, and timely notify Foundation of significant changes in the participant census and other related information.

D. Cooperate with Foundation in assembling and producing all information required by Foundation in order to perform its administration obligations under existing laws, both state and federal.

E. Assist in the development of updated, compliant Plan document and Summary Plan Description booklets for Plan participants. Costs for which shall be borne by Employer.

F. Make payment to Foundation for costs incurred through third party vendors for eligible employees and their qualified dependents.

IV. Administration Fees.

In consideration of services performed for the Plan, Foundation shall be compensated the following fees:

- Claims Administration $13.52
  (Per eligible employee per month)
- Utilization Management (OCFMC) $1.50
  (Per eligible employee per month)
- CFMC PPO Network $2.50

Payment for monthly fees is due and payable by the 15th of the following month. Foundation shall be entitled to payment of all proper administration fees prior to satisfaction of other Plan obligations unless otherwise required by applicable law. Foundation will forward fees to appropriate entities specified above on a monthly basis. It is agreed that the administrative fee shall not increase more than 4% in the second year of this agreement.
V. **Collection of Premiums (If applicable)**

Foundation will collect from employer on monthly basis fees/premiums as specified by third party vendors. Foundation will forward these fees/premiums to the appropriate entities upon receipt of funds from the client. It is understood that the Foundation has no control over fee increases of third party vendors. Third party vendor rates may increase at any time during the contract period when required by the third party vendor.

VI. **Claim Forms.**

All claims submitted to Foundation shall be upon claim forms jointly approved by Employer and Foundation. Any subsequent modification of said claim forms shall only become effective upon joint concurrence of Employer and Foundation. Cost for development and printing of forms requested by Employer, other than original mutually agreed upon forms, shall be borne by Employer.

VII. **Records and Files.**

Foundation agrees to maintain all records for the period indicated in this Agreement. Upon termination, all records shall be transmitted to Employer upon written notification. Records shall be preserved on microfilm, which is an acceptable form of record retention. All claim records and information data in any form which shall become available to Foundation in its activities under this Agreement shall be deemed to be confidential and the private records of Employer. Foundation agrees not to disclose such records without prior written consent from Employer. All claim files are subject to audits by Employer or his/her designated representative at any reasonable time with at least five (5) working days notice to Foundation. Discrepancies will be handled within the guidelines and standards set forth by Employer's rules and regulations.

VIII. **Foundation Status and Indemnification.**

A. Employer and Foundation agree that Foundation's status is and shall remain that of an independent contractor with respect to all services required and rendered pursuant to this Agreement. Employer and Foundation further agree that Foundation shall not for any purpose be deemed to be an employee or partner of, or in joint venture with, Employer; nor shall Foundation be deemed to be an insurer, underwriter, or guarantor with respect to any benefits payable under the Plan. Foundation shall have no responsibility for the obligations of Employer under the Plan Document, or for the performance of any duties of Employer or any insurance company engaged under the Plan.
B. Employer hereby agrees to indemnify and hold Foundation harmless from any and all claims, liabilities, losses, and damages arising out of the performance by Foundation under this Agreement so long as Foundation performs all services as required herein in accordance with the terms of the Agreement and in the absence of negligence, willful misconduct, or fraud.

C. Foundation shall process and pay benefits in accordance with the terms of the Plan document or written policy established by Employer. It is recognized that errors in the processing of benefits could occur. It is also recognized that errors could occur in recording Employer contributions and crediting employee files for eligibility. It is agreed that Foundation shall not be held liable for such errors, but will incorporate sound business practices and be responsible for reasonable internal audits. Where an error exists, Foundation will put forth all reasonable efforts for recovery of such monies that may have been lost as a result of the error.

IX. **Contract Liberalizations.**

No contract liberalizations or administrative practices will be utilized without written permission of the officer designated by Employer.

X. **Agreement Modification.**

This Agreement may be modified only by subsequent written agreement executed by both parties hereto.

XI. **Termination of Agreement.**

This Agreement may be terminated by either party upon sixty (60) days written notice to the other party. In the event that Employer fails to deposit funds necessary to maintain the Plan as required by the Plan, Foundation may terminate this Agreement upon thirty (30) days written notice to Employer and Employer shall in any event be obligated to meet all obligations and liabilities arising under the Plan and to cover all costs reasonable incurred by Foundation on behalf of Employer under the Plan.

XII. **Stop Loss Notification.**

Foundation will notify Employer on each individual employee whose total claims paid reaches fifty (50) percent of the specific stop loss.

XIII. **Litigation.**

Complaints submitted by the insurance commissioner's office and/or complaints involving litigation will be sent to Employer directly for handling. All such litigation or potential litigation will be promptly reported to Employer and handled by Employer. Foundation shall provide
support personnel and/or records, as required. Any and all expenses incurred, as a result of
litigation shall be borne by Employer.

XIV. **Governing Law.**

This Agreement has been executed in and shall be governed by the laws of the State of
California.

XV. **Severability.**

In the event that any of the provisions or portions thereof of the Agreement are held to be
unenforceable or invalid by any court of competent jurisdiction, the validity and enforceability
of the remaining provisions, or portions thereof, shall not be affected thereby.

XVI. **Entire Agreement.**

This Agreement contains the entire understanding between the parties hereto concerning the
subject matter contained herein. There are no representations, agreements, arrangements,
or understandings, oral or written, between or among the parties hereto, relating to the
subject matter of this Agreement, which are not fully expressed herein.

This Agreement is entered into on the first day of September 1, 2006.

Subject: Contract Renewal – Kaiser Foundation Health Plan, Inc.

Background: Under its contracts with the bargaining units, the District is required to use Kaiser Foundation Health Plan, Inc. as an option to provide health benefits to District employees. The District has used Kaiser as a health benefits vendor for over 20 years. The policy period for the Kaiser plan is October to September. Kaiser generally raises its rates each year and usually makes minor unilateral changes to the plan benefits. As a general rule, Kaiser will not negotiate its rates and will not reinstate any unilateral changes in the plan. Kaiser’s position is that the rates are based on community cost factors and the plan changes reflect community demographic conditions. On a few occasions the District has paid a surcharge to avoid the unilateral plan changes. While HUB, the District’s insurance broker, does not receive commission on the Kaiser account, it has been successful in achieving some minor rate mitigation in the past.

In August 2006 Kaiser presented the 2006/2007 renewal plan to the District. The renewal plan included an 18% increase in rates and a few plan changes. The District challenged the rate increase and the plan changes and engaged in discussions with Kaiser over a period of weeks. However, Kaiser refused to rescind its rate increase and plan changes.

The projected cost of the Kaiser plan for 2006/2007 is $3,399,148. The five-year history of the Kaiser plan is as follows:

<table>
<thead>
<tr>
<th>Year</th>

Due to the delay for discussions with Kaiser, this contract is being submitted for approval after its inception date. A copy of the 240 page contract will be available at the December 12, 2006, Board meeting for the Board’s review and consideration. In addition, a copy of the agreement is available at the Risk Management Office, 3600 Prospect Avenue, Riverside.

Recommended Action: It is recommended that the Board of Trustees ratify the agreement between the District and Kaiser for the period October 1, 2006 through September 30, 2007 and authorize the Vice Chancellor, Administration and Finance, to sign the agreement.

Subject: Surplus Property

Background: Education Code Section 81450 permits the Board of Trustees to declare District property as surplus if the property is not required for school purposes; is deemed to be unsatisfactory or not suitable for school use; or if it is being disposed of for the purposes of replacement. Education Code section 81452 permits surplus property to be sold at private sale, without advertising, if the total value of the property does not exceed $5,000. The District has determined that the property on the attached list does not exceed the total value of $5,000. To help defray disposal costs and to generate a nominal amount of revenue, the staff proposes that we consign the surplus property identified in the attachment to The Liquidation Company for disposal.

Recommended Action: It is recommended that the Board of Trustees by unanimous vote: (1) declare the property on the attached list to be surplus; (2) find that the property does not exceed the total value of $5,000; and (3) authorize the property to be consigned to The Liquidation Company to be sold on behalf of the District.

MONTHLY FINANCIAL REPORT
FOR THE PERIOD ENDED OCTOBER 31, 2006

Parking was created to capture the financial activities of the parking operations at each campus. The primary revenue source is parking permit fees. Parking also receives revenue from parking meters and parking citations. Expenditures are for 75% of the operational costs of College Safety and Police and 100% of capital outlay costs, such as parking lot lighting, that directly benefit parking operations.

Resolution No. 17-06/07 - Resolution in Support of the DREAM Act

WHEREAS, the DREAM (Development, Relief and Education for Alien Minors) Act was introduced in 2003 and re-introduced last year in the U.S. Congress;

WHEREAS, the DREAM Act would permit certain immigrant students who have grown up in the United States to apply for temporary legal status and eventually obtain permanent status and become eligible for citizenship if they attend college or serve in the United States military;

WHEREAS, the DREAM Act would eliminate a federal provision that penalizes states that provide in-state tuition without regard to immigration status;

WHEREAS, the DREAM Act would have a life-changing impact on students who qualify, dramatically increasing their future earnings and human capital while significantly reducing criminal justice and social services costs to taxpayers;

WHEREAS, the Dream Act recognizes that students who have graduated from a state high school should be able to pay in-state fees at public universities and colleges;

WHEREAS, California is one of ten states that provides in-state college and university fees to be paid by students who have been educated in a California high school for three years, graduated from a California school and met college admission standards;

WHEREAS, the Riverside Community College Board of Trustees recognizes that the investment made in these students’ college education will be repaid through a stronger economy;

WHEREAS, denying these hard-working students the opportunity to enter the American workforce sends all immigrant students a contradictory message about the importance of graduating from high school and results in a waste of human potential and of an investment the states have already made into their K-12 and college educations;

THEREFORE, BE IT RESOLVED that the Riverside Community College District Board of Trustees feels that it is important for this district to continue encouraging students, regardless of immigration status, to strive to gain a higher education; and

BE IT FURTHER RESOLVED, that the Riverside Community College District Board of Trustees encourages all California and U.S. Senators and Representatives to fully support legislation to enact the federal Dream Act in the coming legislative session.

Adopted by Riverside Community College Board of Trustees, December 12, 2006,
