8. The Contractor is responsible for monitoring the percentage of time/number of hours devoted by staff on the contract for overall consistency with the contract terms.

9. Prompt Payment. The State of California is obligated to promptly pay all invoices; however, invoices must be properly submitted for prompt processing and payment. Under certain conditions, the State is required to pay vendors a late payment if a correct invoice for services/goods is not paid within 45 calendar days. The vendor does not have to request the late payment. The State will determine and send any late payment to the vendor.

10. Payment of Expenditures (If applicable)

By signing this contract Contractor certifies under penalty of perjury that the Service Budget (DOR B01A) does not contain line items that are, or will be during the period covered by this
contract, reimbursed/paid by another source of funding.

This is a cost reimbursement contract. State will pay the Contractor as invoiced monthly or quarterly as specified in Exhibit E, for Contractor's actual costs to provide services as identified on the Service Budget (DOR801A). For each fiscal year total funds to be paid shall not exceed the amount specified in the "Service Budget" for that fiscal year. Unexpended funds for a fiscal year shall not be carried over to another fiscal year. State will not pay contractor for actual costs until the match has been submitted by the (County), as applicable.

11. Certified Expenditure (If applicable)

Contractor shall certify to the State, on a monthly or quarterly basis as specified in Exhibit E, the actual expenditure of Contractor funds for Contractor's cost of operation in the Cooperative program as set forth in the "Cooperative Agency Certified Expenditure Budget Summary. All such expenditures shall be under the administrative supervision of State and no portion of the certified expenditures shall come from Federal funds. The State shall not be obligated to pay the Contractor for any contributions made by the Contractor in accordance with the "Cooperative Agency Certified Expenditure Budget Summary."

The total Cooperative Agency certified expenditure share will be matched to Federal funds at no less than 25%, as indicated on the DOR Program Budget Summary.

If the value of the certified expenditures by the Contractor is below 25% of the actual total program cost, the "Service Budget" may be reduced after review by the DOR Contract Administrator. State will not pay the Contractor for actual costs claimed on the DOR801B Service Invoice until the certified expenditure summary for the same period has been submitted.

The Contractor contributions, including any in excess of the amount specified in the "Cooperative Agency Certified Expenditure Budget Summary" will be used by State to obtain Federal funds under Section 110 of the Rehabilitation Act of 1973 as amended. Federal funds obtained in excess of the “Total Program Cost” as identified on the “DOR Program Budget Summary” shall accrue to the State.

12. Cash Match (If applicable)

Each fiscal year, Contractor will pay to State, no less than quarterly, in advance, upon receipt of an invoice from State, all those cash matching funds which are identified within the Program Budget Summary for that fiscal year. State shall not be obligated to pay the Contractor for any contributions made by the Contractor in accordance with the approved budget, it being understood that all matching funds obtained by State from Contractor shall be exclusive funds of State.

The total Cooperative Agency cash share will be matched to Federal funds at no less than 21.3% as indicated on the "DOR Program Budget Summary".

13. Indirect Costs (If applicable)

Indirect costs are allowable costs incurred by an organization which support the activities of a program or contract but are not directly assigned to the specific program or contract and
are allocated to the program or contract using a method in compliance with Office of Management and Budget (OMS) circulars. The allocation method must be fully explained in the contract budget narrative and must be supported by actual costs/expenditures. The allocation of indirect costs cannot be based on an arbitrary fixed rate. Where an estimated percentage rate is used, when the contract is written, the actual rate must be used to bill for indirect costs/administrative overhead; however, the actual rate cannot exceed the contracted budget percentage rate. If the actual rate exceeds the budgeted rate) then a budget revision or amendment is required prior to billing the actual rate. Documentation to support the allocation rate/method must be maintained by the Contractor and is subject to review by the Department of Rehabilitation, State Auditors, Federal Department of Education auditors or their designated representatives.

B. Charges/rates shall be computed in accordance with the budget on page 1 of Exhibit B. The cost of each major budget category may vary up to 15% within each Fiscal Year (FY) without OSHPD approval so long as the total amount budgeted for the FY is not exceeded.

C. Quarterly certifications shall include the Contract Number, the names of the people employed under this Contract, and a certification by the Director of the Registered Nurse Education Program (original signature) that each person was engaged in activities authorized by this Contract. These documents shall be submitted on a quarterly basis in arrears to:

   Song-Brown Training Program
   Office of Statewide Health Planning and Development
   400 R Street, Room 330
   Sacramento, CA 95811

D. A final quarterly certification shall be submitted within 120 days after the Contract has ended (i.e., Contract ends June 30th, final certification is due by October 30th). If contractor fails to submit a final certification within 120 days after the Agreement has ended, the monies revert back to OSHPD.

B. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, OSHPD shall have the option to either cancel this Contract with no liability occurring to OSHPD, or offer a Contract amendment to Contractor to reflect the reduced amount.

SPECIAL TERMS AND CONDITIONS

1. RESOLUTION OF CONTRACT DISPUTES:

Any dispute arising under this Contract, which cannot be resolved at the State Program Administrator level nor at the Director's level of the Department (OSHPD) signing this Contract shall be submitted to non-binding arbitration after the following process, has been completed:

(A) The Contractor first discusses a problem informally with the Song Brown Health Care Workforce Training Act Administrator. If unresolved, the problem shall be presented as a grievance to the Deputy Director, Healthcare Workforce and Community Development Division, in writing, stating the issues in dispute, the legal authority or other basis for the Contractor's position and the remedy sought.

(B) The Deputy Director shall make a determination on the problem within ten (10) working days after receipt of the written communication from the Contractor and shall respond in writing to the Contractor indicating the findings and decision.

(C) Should the Contractor find the Deputy Director's decision an unacceptable one, a letter shall be sent to the Director within ten (10) working days of receipt of the Deputy Director's decision. The Director or designee shall meet with the Contractor within twenty (20) working days of receipt of the Contractor's letter. Should the Contractor disagree with the Director's decision, the Contractor and Director may agree to submit the matter to binding arbitration.

(D) Binding Arbitration

(1) At the option of the parties, binding arbitration of a dispute of grievance may be sought. Each party shall provide written notice to the other of an intention to exercise this provision. Both parties must agree to submit to arbitration. The dispute or grievance shall be resolved by a panel of three (3) experts in the particular field of dispute. Each party shall have the right to select one (1) panelist. If the party does not exercise that right within ten (10) working days after written contract to submit to arbitration, the other party may select one (1) additional panelist. The selected panel will then select a third member.

(2) The panel shall set a hearing day, time and place convenient to both parties within thirty (30) working days of panel selection. Each party shall submit a written statement to the panel and the opposing party issues and arguments to be presented within five (5) working days of the hearing date. The hearing shall be informal with an opportunity for both parties to present their arguments. A court reporter may be present at the expense of the requesting party. The panel shall provide the parties with a written decision within thirty (30) working days of the hearing. The decision shall be binding to parties.
EXHIBIT D

(3) The costs of the arbitration panel shall be borne equally by the parties. At the option of the parties, these costs may be deducted from any balance of the contract funds. Both parties must agree, in writing, to utilize Contract funds to reimburse the arbitration.

Government Code Section 4553.

d. Upon demand in writing by the assignor, the assignee shall, within one year from such demand, reassign the cause of action assigned under this part if the assignor has been or may have been injured by the violation of law for which the cause of action arose and (a) the assignee has not been injured thereby, or (b) the assignee declines to file a court action for the cause of action. BP 7200 Faculty Internship Program

References:
Education Code Sections 87482.5 AND 87487;
Title 5 Sections 53500-53502

Inasmuch as the District is continually seeking qualified candidates for faculty positions within the District, it is deemed to be in the best interests of the District to establish a Faculty Internship Program.

The purpose of the program includes, but is not limited to, the following:

- To enhance the recruitment of qualified persons pursuing an associates, master’s or doctoral degree, as well as recent recipients of such degrees with limited teaching experience, into faculty positions in the District, particularly for disciplines for which recruitment is difficult, where current industry experience is important, or for disciplines in which a shortage of qualified faculty is anticipated. The internship program shall serve to introduce graduate students, before they approach the end of their graduate studies, as well as industry practitioners, while encouraging them to complete their associates degree, to the community college environment and student population;
- To enhance the District’s efforts toward building a diverse faculty. The internship program shall place special emphasis on promoting inclusive efforts to locate and attract qualified graduate students who are members of monitored groups as defined in Title 5.

The District may employ, as faculty interns, graduate students enrolled in the California State University, the University of California, or any other accredited institution of higher education, or, in career and technical fields where a master’s degree is not generally expected or available, persons who are within one year of meeting the regular faculty minimum qualifications. Persons who meet the regular faculty minimum qualifications, but who lack teaching experience, may also be included in the internship program.

Individuals employed as faculty interns shall be employed as temporary faculty members and shall meet the minimum qualifications for faculty interns.
All prospective faculty candidates, including faculty internship participants, for full time positions in the District will be selected through a competitive hiring process.

The term “faculty intern” does not include any person, no matter how designated, who only assists in a class taught by a regularly qualified faculty member, and who has no independent responsibility for instruction or supervision of students. Such a person may be termed an “intern” and may serve as a volunteer or receive a stipend.

The Chancellor shall prepare administrative procedures, which outline the minimum qualifications for faculty interns, as well as requirements for faculty intern mentors.
