

AP 4229 COURSE REPETITION – VARIABLE UNITS

Reference:

Title 5, Section 55044

Students may be permitted to enroll in variable unit open-entry/open-exit courses as many times as necessary to enable them to complete the entire course curriculum once, unless the course is an active participatory course in physical education, in which case each enrollment in a portion of the course counts toward the courses that are related in content limitation. Each time a student enrolls in a physical education activity course offered on an open entry/open exit basis, regardless of the number of units for which the student enrolls, the enrollment shall count as a repetition of the course for the purposes of Title 5, sections 55041 and 58161.

Students may not repeat variable unit open-entry/open-exit courses unless:

- The course is required for legally mandated training; or
- The course is a special class for students with disabilities which needs to be repeated (Title 5, section 56029); or
- Repetition of the course is justified by extenuating circumstances (Title 5, section 55045); or
- The student wishes to repeat the course to alleviate substandard work (Title 5, section 55042).
