

AP 4232 Pass/No Pass

Reference:

Title 5 Section 55022

A student electing to be evaluated on the "pass-no pass" basis will receive both course credit and unit credit upon satisfactory completion of the course. In computing a student's grade-point average, grades of "pass-no pass" are omitted.

A pass grade is granted for performance that is equivalent to the letter grade of "C" or better. A student who performs less than satisfactorily, or fails, will be assigned a "no pass" grade.

The student is held responsible for all assignments and examinations required in the course. The standards of evaluation are identical for all students in the course.

I. Pass-No Pass Options

- A. Discipline faculty are responsible for determining the appropriate pass-no pass option for each course. All sections of the course must be offered in the same manner. Courses may be offered for pass-no pass in either of the following categories and will be specified in the catalog:
 - 1. Class sections wherein all students are evaluated on a "pass-no pass" basis. Instructors of such sections will file a pass-no pass declaration form with the department chairperson prior to the creation of the course. In the event that a permanent instructor has not been assigned to a class, the appropriate academic dean may institute pass-no pass options for that course.
 - 2. Courses in which each student has the option to individually elect pass-no pass or letter grade. Students electing this option must file a petition in the Office of Admissions and Records by the end of the second week of the semester for full term courses or by the end of the first 20% of a shorter-than-semester term.
- B. All units earned on a "pass-no pass" basis in accredited California institutions of higher education or equivalent out-of-state institutions shall be counted in satisfaction of community college curriculum and graduation requirements.

Units earned on a “pass-no pass” basis shall not be used to calculate grade point averages. However, units attempted for which “NP” is recorded shall be considered in probation and dismissal procedures.
