Students who are high school graduates or the equivalent thereof, or 18 years of age or older, may apply for admission online at www.rccd.edu or by submitting a paper application. Online applications are processed within 24 hours (weekends and holidays excluded). Paper applications may take up to a week to process. Students receive notification of their admission and information on matriculation procedures required for registration.

Each student, at the time of admission or readmission, is classified according to his/her legal residence. Students self-declare their residency by their answers to questions on the application. If they are determined to be non-residents, they can appeal the decision by submitting a Supplemental Residency Questionnaire to Admissions for change in residence status. Non-residents who meet AB540 criteria can apply for a waiver of non-resident fees.

Non-resident students with a Visa who are applying are referred to the International Student Center for further application procedures based on federal laws.

Students seeking financial aid, who do not have a high school diploma, GED, or have passed the High School Proficiency Exam, must pass the Ability to Benefit test in order to determine eligibility for aid.

The Chief Instructional Officer of the College shall be responsible for evaluating the validity of a student's high school completion if the College or the United States Department of Education has reason to believe that the high school diploma is not valid or was not obtained from an entity that provides secondary school education.

Information about the admission process can be found online at <http://www.rcc.edu/services/admissions/>, in the Schedule of Classes and the Catalog.
