<b>ACC 819 Volunteer Income Tax Assistance Training</b>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
Rationale:	Moreno Valley College's (BITS), goal is to have the ability to offer (VITA) Volunteer Income Tax Assistance to the low income and/or elderly community, for no charge. This program is administered in-conjunction, with the IRS. I would supervise and aid in this program and would need student volunteers. This course would be a requirement for those individuals/students to be knowledgeable to prepare such tax returns for the individuals of the community in need.				
<b>HIS 25 History of Mexico</b>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
Rationale:	The faculty in the history discipline at MVC continue to expand learning opportunities for students in a variety of topics in the field of history. Expanding our course offerings to include History 25: History of Mexico not only expands the opportunities for students but expanding the types of history courses is important to promote a global world view, to encourage civic engagement, and take collective action to dismantle system racism. We have recently hired a new full-time faculty member with the specific qualifications to teach this course. Considering MVC's diverse student population, including many students with direct ties to Mexico and the college's relatively close proximity to the Mexican border, this course is of particular interest to our student population. This course fits into the department's and college's overall plan to expand transfer-level courses that will support achievement of ADT degrees.

### Degree & Certificate

**ADJ**      **Administration of Justice**

Rationale: The current 27-unit certificate and associate's degree requires the students to take 9 units above the required 18 units for their core classes in Administration of Justice. Moreno Valley College is committed to assisting our students in completing their certificates and degrees in a timely manner, therefore reducing this certificate to 18 units.

Moreno Valley College is very interested in dual enrollment and reducing the certificate and associate's degree to 18 units would allow high school students the opportunity complete the certificate in high school and then transfer to Moreno Valley College, with their core requirements completed.
