- iii. Report from AO (Jeanne Howard):
- iv. Report from VPAA/ALO (Carlos Lopez):
- v. Reports from Deans:

E. Open Discussion

F. Adjournment

Moreno Valley College Curriculum Committee

March 9, 2021

ACTION ITEMS

Course Inclusions

		M	N	R	Discussion	Action
APP 450	Apprenticeship Work Experience	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
Rationale:	Course adoption is needed to support MVC registered and approved apprenticeship programs, IT Support and Cybersecurity Specialist.					

MAT 12H	Honors Statistics	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
Rationale:	The MVC Math department wants honors students to get the opportunity to challenge themselves with Honors Statistics and take advantage of the many program benefits, such as: transfer agreements including priority admission; honors-to-honors admission; and access to special scholarships available only to honors transfer students –especially those intended for programs requiring Statistics or Mathematics. Students will be more prepared for their upper division undergraduate work and make their application more competitive when they are ready to transfer. By once again offering Honors Statistics at MVC, students who complete the course will have a better chance of getting into and succeeding in their preferred programs of study when they transfer.					

New Disciplines

		M	N	R	Discussion	Action
APP DISC M	Apprenticeship	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
Rationale:	Adoption of APP discipline and APP-450 are necessary to support the approved IT Support and Cybersecurity Special apprenticeship programs, in which students will obtain job-training experience with local employers and course work.
