## Student Services - Middle College High School

**Contact Person:** Julio C. Gonzalez

**Program Review report submitted:** Spring 2017

**Mission Statement:** Middle College High School Program, made possible through the partnership between Moreno Valley College, Moreno Valley Unified School District and Val Verde Unified School District, fosters a supportive academic environment for Middle College students, with the goal of providing early development of college experience and leading them in their educational endeavors.

**Major developments and changes:** This year was the first year in which we had close to two hundred participants. We started with 103 juniors and about 96 seniors.

**Highlights and Accomplishments:** 37 seniors were on track to complete one to three associate degrees. All students who completed the program reported that they were planning to continue their education after high school graduation. This year students had a Middle College Prom on campus, which was very successful.
