

Efficiency

Moreno Valley College, 2010 -2015

	2010-2011	2011-2012	2012-2013	2013-2014	2014-2015
Efficiency	456.12	452.46	453.29	459.70	428.32

Note:

Efficiency = WSCH/FTEF

WSCH: Enrolled students at census multiplied by total contact hours divided by 16

FTEF: One FTEF is equivalent to an instructor teaching five three-unit sections per semester for a full year. All teaching assignments including overload, part-time load and full-time load are included in the calculation.
