Welcome to Moreno Valley College’s unique and vital public safety training located at the Ben Clark Training Center (BCTC). In association with local, state and federal agencies, Moreno Valley College offers one of the largest public safety training programs in Southern California. Each year, the college prepares hundreds of students to work as law enforcement officers, firefighters, probation officers, dispatchers, and correctional officers.

Most of the training occurs at the BCTC, located adjacent to March Air Force Reserve Base. The Ben Clark Training Center is recognized nationally for its innovative, interagency programs that emphasize state-of-the-art training for law enforcement and firefighting personnel to function as a team.

Several major public agencies participate in public safety training, including the Riverside County Sheriff’s Department, the Riverside County Fire Department, the California Department of Forestry, the Department of Corrections and the Department of Probation. Working in conjunction with these agencies, Moreno Valley College is able to offer the following intensive programs in Law Enforcement and Fire Technology:

### Law Enforcement
- Peace Officer Training
- Probation Officer Training
- Correctional Officer Training
- Dispatcher Training

### Fire Technology
- Basic Firefighter Academy/A.S. Degree
- Driver Operator
- Hazardous Materials
- Truck Academy
- Fire & Chief Officer A.S. Degrees
- Technical Rescue Courses
- Wildland Firefighting

If you have any questions, please call the phone number listed in each course description in the schedule of classes or call the Ben Clark Training Center Office at the numbers below. For additional information regarding registration for Riverside County Sheriff’s Department courses, Riverside County Fire Department courses, or Riverside County Training Officer’s Association courses, visit our website at [www.mvc.edu/bctc](http://www.mvc.edu/bctc) for specific registration details.

To assure open enrollment, class availability and scheduling flexibility while meeting the training needs of law enforcement, fire technology, and other public safety agencies, classes are scheduled on an as-needed basis. Please note that some courses have a prerequisite requirement.

RCCD General Education Program Student Learning Outcomes

The RCCD General Education program prepares students to be able to demonstrate an understanding of how knowledge is discovered and constructed in the natural sciences, the social and behavioral sciences, the humanities, and language and rationality. Students will understand the methods of inquiry that underlie the search for knowledge in these fields. In addition, they will gain demonstrable skills in four broad interdisciplinary areas:

Critical Thinking
Students will be able to demonstrate higher-order thinking skills about issues, problems, and explanations for which multiple solutions are possible. Students will be able to explore problems and, where possible, solve them. Students will be able to develop, test, and evaluate rival hypotheses. Students will be able to construct sound arguments and evaluate the arguments of others.

Information Competency & Technology Literacy
Students will be able to use technology to locate, organize, and evaluate information. They will be able to locate relevant information, judge the reliability of sources, and evaluate the evidence contained in those sources as they construct arguments, make decisions, and solve problems.

Did you know?
There is a “sample” class loaded with tutorials and useful information.
The sample class is based upon classes taught using the Blackboard 9.1 environment.
Video tutorials, helpful links and other resources are available for viewing and reference.

To access, follow these 3 easy steps:
Step 1: visit www.opencampus.com.
Step 2: click the “Credit Course Login” link.
Step 3: under the “Need Blackboard Help?” heading, click the “Visit the Sample Class here” link.

If you are taking classes using Blackboard 9.1, help is available 24/7.
The Blackboard Student Support Service line is available to provide assistance 24 hours a day, 7 days a week for issues directly related to classes taught using Blackboard 9.1.
If you have reviewed the tutorials and information provided in the sample class and are still experiencing difficulties, call toll free at 1-866-259-7271. You can also get online support via e-mail and chat through the Online Learning Support Center link, located on the main Blackboard 9.1 login screen.
