Century Circle

*Supporting achievement, excellence
& innovation through your support*

Century Circle is an annual giving program that provides funding for special projects and priority initiatives throughout the Riverside Community College District. The Century Circle program was established to encourage alumni and friends to support innovation, achievement, and excellence at Moreno Valley, Norco, and Riverside City colleges.

Generous donors who contribute at least \$1,000 per year to the Century Circle fund play an integral role in the RCCD Foundation's endeavor to help the District and Colleges respond to pressing needs and support initiatives that further our mission and priorities.

The RCCD Foundation invites you to partner with us by becoming a member of the Century Circle. Your membership will help ensure that the RCCD colleges continue to meet the educational and workforce needs of our region.

Gifts to the Century Circle Support:

Innovative Programs

Century Circle members provide much needed support for special projects and ongoing initiatives aligned with District & College priorities. Examples include STEM programs, services for student veterans, and support for the performing arts.

Student Achievement

Century Circle contributions support scholarship initiatives at Moreno Valley College, Norco College, and Riverside City College. Scholarships continue to be the most important method for assisting our hard working students.

Faculty Excellence

Century Circle membership enables the RCCD Foundation to offer mini-grants for faculty to accomplish special projects and/or research initiatives. Empowering faculty to pursue these special initiatives increases professional development and enhances students' educational experiences.
